## BARBUR FAVORS **NEW METAL SHOP** ON DIVISION ST

city council at its next session by Commissioner Barbur that permits be granted to the Portland Furnace company to erect and maintain a sheet metal shop on Division street, between East Fortyeighth and East Forty-ninth streets, and
that the council deny the application of
H. W. Palath for a permit to erect a
public garage on East Seventeenth street
between Linn and Ochoco avenues.

macks plan to quit the newspaper game
for good.

A. W. McCormack's newspaper career
has lasted 59 years, fourteen of which
were spent in the West. Enghteen newspapers, principally in the Mississippi
valley, including German publications at
Codar Rapida Ia. and Chicago, have

Approval has been given by the department of public works to applications for permits to erect garages as follows: C. L. Locke, Thomas street, between Corbett and Water streets; Mrs. C. E. Nelson, East Clay street, between East Forty-ninth and East Fiftieth streets; E. C. Demke, Florida street, between Virginia and Corbett streets; N. W. Stayton, East Fourteenth street, between East An-keny and East Burnside streets; C. G. Comandich, Dekum avenue, between Durham avenue and Bellevue street.

BARBUR WILL RECOMMEND PUBLIC WORK TO COUNCIL City Commissioner Barbur, in charge of the public works department, will

recommend to the city council granting of petitions for the following public Improvement of Sixty-second street southeast, from Fiftleth avenue southeast to Fifty-second avenue southeast. Tacoma avenue, from East Nineteenth to East Twenty-third streets.

Sewer in Simpson street, from Union avenue to East Ninth street, preliminary to the permanent improvement of this Seneca street, from Oak Park addition to the northerly line of Fessenden street.

Fremont street, from Vancouver avenue to Williams avenue. Sewer in Seventieth street southeast from Fifty-fifth avenue southeast to Whitman avenue.

Sewer in East Eighty-fifth street, from East Burnside to East Stark streets.

PARK BOSS RECOMMENDS VACATION OF STREETS

To clear the records on public streets, C. P. Keyser, superintendent of parks has made application to the city counci to vacate portions of four streets that now lie within the boundaries of Buckman field, the athletic grounds near Benson Polytechnic high school. This matter will be before the council for action August 10. The proposed vaca-tions include: East Thirteenth street, from the south line of East Glisan to the north line of East Everett street East Fourteenth street, from the south line of East Glisan to a point 100 feet south of the south line of East Everett street; East Flanders street, from the east line of East Twelfth street to the west line of East Fifteenth street; East Everett street, from the east line of East Thirteenth to the west line of East Fif-

STREET WORK RECOMMENDED Ordinances will be introduced at the next session of the city council for the following street improvements: East Ankeny street, from East Eighty-first to East Eighty-second street; East Twelfth street, from Alberta to Webster street; Gay street, from Jessup to Holman street; Bryant street, from Albina avenue to Congress street; Thirty-third avenue southeast, from Fortieth street southeast to Forty-ninth street south-

PICNIC ROUTE CHANGED Because the Morrison street bridge will be closed to traffic, the committee on arrangements for the annual picnic of the city employes, to be held at Estacada August 14, has rearranged plans for the starting place of the special train that will leave Portland at 9 o'clock that morning. It will start from East Water and Hawthorne avenue, instead of from Water and Morrison streets.

WIN SONG PRIZES

The contest for the official public ducted by the playground directors, has resulted in Florence Fink and David Wright, both of the Duniway park play winning the first and second prizes. Their song adapts the use of the tune of "Smile a While" and it depicts the attractiveness of the Portland

with City Auditor Funk a report of its activities for the month of July, which shows that 57 cases were handled and the total receipts were \$212.45. The Items included: Removal fees, \$22.25; stock redeemed, \$35; stock sold, \$71.95; charges for feeding stock, \$76.45.

#### Ridgefield Paper Is Sold by Veteran To Haines, Or., Man

Ridgefield, Wash., Aug. 2.-Willard Nelson of Haines, Or., newspaper publisher there for more than 18 years, has purchased the Ridgefield Reflector, a weekly, owned and published for three years by A. W. McCcrmack and C. C. McCormack, partners in the publishing business for about 22 years. The paper is expected to appear under the new owner about September 1. The McCormacks plan to quit the newspaper game

Cedar Rapids, Ia., and Chicago, have been owned by him. He published a paper at Woodland some time ago. He is 70 years old and learned to set type when about six years of age, The McCormaca family will continue

to live here but plan a trip to include the world editorial convention at Hawali in October. Nelson is chancellor com-mander of the Haines Knights of Pythias lodge and a member of the L. O. O. F. order at that place.

#### Boys Sound False Fire Alarm to See What Would Happen

Small boys "pulling" fire alarm boxes were the cause of two false fire alarms within 48 hours. One from East Thirtiet and Stark streets was turned in Monday, and another, from East Eighth and Alder streets, was given this afternoon. In both instances it was found that the lads had seen the glass broken in the the little tractors, some 26 of them, are boxes and the temptation to pull the busy as ants around a honey jar. With lever and see what would happen was the aid of more than 50 attachments

daily inspection, and he asks that when citizens see a broken glass in the door of a fire alarm box they notify the fire the daily demonstrations on the Bliss department, Main 7700.

Each alarm from a fire box costs the of the tractor. city approximately \$1000, as several companies are attached to each box and they all respond when the alarm is Credit System Held

#### Chiropodists to Be Guests; Motorists Asked to Lend Cars

the morning of August 4? If not, you noon in the Benson hotel. are invited to place it at the disposal of about five hours.

Local chiropodists are anxious to give them a view of the city in ord r to en-list them as supporters o' the 1925 ex-Those willing to lend their cars are asked to phone Dr. A. F. Marr, at Tabor 3337 or Dr. C. Loven, at Main

#### Chinese Mail Rate Instructions Given

Considerable trouble has been caused by insufficient postage on letters bound for China, according to Postmaster John M. Jones. Jones stated letters were sent to the Orient with but two cents in postage whereas five cents is required for an ounce except to the American post office at Shanghai. He pointed out that there were more than one half dozen post offices in Shanghal and mail to that city should be marked "American Post Office" if the two cent p. tage is to be used. To all other parts of the Celestial Empir one ounce letter requires a five cent a ...np.

#### Charles Hackelman Dead in San Diego

Word was received here today of the death in San Diego, Cal., last Wednesdeath in San Diego, Cal., last Wednes-day of Charles Cowan Hackelman, a grandson of Abner Hackelman, captain of San Fran-cisco. SOCIETY FILES REPORT of one of the first immigrant trains to come to Oregon. He is survived by a come to Oregon. He is survived by a son, Lonner B. Hackelman of San Diego. ## RUSSIAN RELIEF STARTED BY U.S.

London, Aug. 2.-American relief

Russia was started today. Walter Lyman Brown, assigned Secretary Hoover to direct the work, acted instantly on Hoover's orders. He ced that 15 Americans on his staff will be sent to Russia immediately. Their duty will be to form committees of Russians who can be directed in the actual distribution of supplies.

Meanwhile messages have been broad-casted to directors of the relief commis-sion's depots throughout Europe, direct-ing the immediate dispatch of foods to ints where they can best be handled. Brown said there were sufficient sup plies within reach to meet the first demands on the commission

#### City Commissioners And Mayor See How Tractors Run Farm

To get first hand information about nodern methods of farming, Mayor Baker and the county commissioners took a half day off this afternoon to visit the Fordson demonstration being held on the Paul Bliss & Sons' farm between the Foster and Powell Valley roads nine miles east of Portland.

During the two weeks' demonstration, which closes next Saturday, everything in the way of work on the Bliss farm is being done with tractive power. From the first "crow of the cock" in the early morning hours until the last "baby lambkin" is tucked into his bed at night mornnig too great for them to resist.

It is impossible, says Fire Marshal lumber to gathering the eggs is accomGrenfell, to give each box in the city plished through the agency of these atalmost everything from sawing logs into tachments.

From 300 to 400 farmers are attending

Dakan stated that business 75 v....ing chiropodists who will stop at Portland that day on their way to the National Convention of Chiropodists at ern business. Dr. William E. Barton, National Convention of Chiropodists at ern business. Dr. William E. Barton, San Francisco August 8 to August 11. head of the Congregational churches in The chiropodists expect to be in Portland America, gave a short talk on the principles of the Rotary club. Linn Cornell was chairman of the day.

It was announced there would be uncheon next week as the club holds its annual picnic at Crystal Lake park

### Marine Strike Ends According to Legal

Legal notice that the marine strike is ended was filed with the federal court this morning when the six marine unions asked that the anti-picketing order sojoining them from visiting the waterfront be vacated.

The application said the strike had officially ended July 29 with a referendum among the strikers.

#### Welfare Section for Postal Men Planned

To organize a welfare section of the Portland postal employes, Dr. Lee H. Frankel, direct representative of Post-master General Hays, will arrive in Portland August 24, according to a letter received by Postmaster John M.

## Charge of Murder

Welch, W. Va., Aug. 2.—(I. N. S.)— C. E. Lively and "Buster" Pence, two of the Baldwin-Felts detectives engaged in Monday's gun battle, were held at a preliminary hearing here today on a charge of murder for the killing of Sid Hatfield and Edward Chambers.

### Mental butterflying at 2 a.m. A great indoor sport for thoughtless people

One of the surest ways to become physically incapable of doing your best work is to get only snat-ches of sleep—broken by disturbing dreams.

If your sleep is being disturbed by drinking tes or coffee, you may be sowing the seeds of a nervous breakdown.

Do not wait until your nerves are affected by the drugs, thein and caffeine, in tea or coffee. Protect your strength, vitality and ndurance.

Have sound, restful sleep, and wake refreshed and fit for any task.

Postum, the delicious cereal beverage, with its golden-brown richness and coffee-like taste, will

let Nature restore your coffee-irritated nerves, and bring you sound, refreshing sleep.

Postum is wholesome and acts in a normal way. It possesses the advan-tages of a hot drink, without the ill effects of tea or coffee.

Drink Postum for a week or two. See what a difference it will make in you!

There's a Reason."

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

At all grocers.

#### Angry Rattlers' Tails Playthings Of Young Kitten

a young kitten chooses a couple of rattlesnakes for play fellows and at-tempts to catch the rattling tails of the reptiles between its paws, but the kittles in the Deadmond ferry dis-trict, near here, seem to be excep-tional, according to the report of J. Melby, who a few days ago killed two angry rattlers near his home after a passing neighbor had called his attention to such antics on the part of his pet feline.

London, Aug. 2,-(I. N. S.)-The Inter-A'lied supreme council during the meeting in Paris next week will probably d' ss President Harding's Far "ast conference with a view to reaching a unanimous decisior on the poli y that the European and powers will pursue at Washington, according to a report circulated by the Central News this aft-

#### Father Saves Son From Watery Grave

By swimming to an overturned canoe. Charles Cundiff, until recently employed as a musician at the Peoples theater here, saved from drowning his on, Buford, 15 years old, and a companion, Joseph Thornley, 12 years old, of Tacoma. The canoe turned over while the boys were paddling on Puget sound, according to a letter received here today The Cundiff boy had gone down for the second time when his father reached The mothers of both boys wit nessed the rescue from the shore.

### Suspected Bank Robber Is Held

Up-to-Date Business Redding, Cal., Aug. 2.—(I. N. 8.)—
Word was received here today of the arrest in Ashland, Or., of George Lange as a suspect in the robbery of the Fall River Mills bank a week ago. Lange, according to the sheriff, was an auto-mobile racer in Globe, Ariz., and came to this district a few weeks ago together with L. L. Herbert and P. McMillen, securing work at Fall River Mills. War-rants have been issued for all three as suspects, but Herbert and McMillen have not been located. Lange and his car have been in Redding several days and left Monday for the north. arrest was then ordered.

#### Sheriff Runs Down Brumfield Case Clue

Bend, Aug. 2.—Sheriff Starmer of Douglas county arrived in Bend Tuesday and is conducting an investigation in the neighborhood of Tumalo in connection Notification Filed Dr. R. M. Brumfield furnished by the letwith the clue as to the whereabouts of ter mailed a week ago by "Aunt Moli"

> Bend, Aug. 2 .- F. M. Hopkins, the "sheoting deputy" of Douglas county, and J. O. Murphy, another deputy from Roseburg, arrived in Bend in their search for Dr. R. M. Brumfield. They have been beating the bushes between Ford Rock and Klamath marsh. They left again for La Pine after a conference with Sheriff Roberts. Hopkins in-dicated no belief that Brumfield would be found, but promised that everything possible would be done to locate the missing dentist if he still is in Ore-

Acting Municipal Judge Barge Leonard this morning expressed his emphatic disapproval for abbreviated bathing suits when he fined Joe Miller \$100 and sentenced him to 180 days in the city jail for appearing in Johnson creek in short trunks which shocked the matrons in that locality.

Miller is a carpenter. On his way home from work he decided to take a swim in the creek. He met a number of small boys who were swimming. They told him he would have to have a suit and one boy rented him a pair of trunks for 10 cents.

The trunks were very small and Miller some difficulty in getting into them. He kept them up with a piece of rope. According to witnesses the trunks were nsufficient covering. Miller, unabashed by the lack of cloth in his suit, swam around in the water and splashed about with a crowd of children. Several little girls were in the crowd. Their mothers heard about Miller and his scandalous bathing suit. A policeman was called. Judge Leonard stated after the trial that he would have Miller examined by physicians, since the greater part of his testimony was rambling and discon-nected and apparently had nothing at all

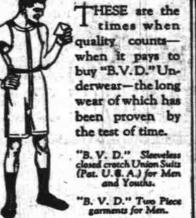

#### Sinuses Authority Addresses Doctors

Dr. Ross Hall Skillern, of Philadelphia, foremost American authority on sinuses, delivered the first of a series of lectures at the University club Monday night to the Association of Portland Pioneer Specialists. - He will give other lectures each night during the week, and will hold clinics in the morning at the various hospitals. Dr. Skillern is one of a number of Eastern medical experts who have been brought to Portland by the ssociation for a series of lectures

#### House Backs Rise in Farm Loan Interest

Washington, Aug. 2.+(U. P.)-By a vote of 233 to 20, the house today passed bill authorizing an increase interest rate on farm loan bonds from 5 to 51/2 per cent during the next two years to encourage their sale.

Packing Is No Trouble at All With a Mendel Wardrobe Trunk

-All the stooping and bending are eliminated. So are all the worry and fussing as to what goes in next, deciding how the things will carry best. So is all the tiresome bother of unpacking and repairing the mussings and creasings of travel. -For a wardrobe trunk is packed standing up. There is a special drawer or compartment or bag or hanger for each

The dresses, suits and coats carry on their hangers, as carefully as in a wardrobe. And you don't need to unpack at all, but can "live out of it" as comfortably as out of bureau drawers and

closets at home. -Certainly, every person who goes from home needs a trunk of this kind. -And certainly they cannot get better values than in the wardrobe trunks we have here, not only the ones quoted special, but the entire line, now being demonstrated. The prices will mean nothing until you see the splendid qualities of these thoroughly well-made trunks. They cannot be matched elsewhere at any price.
