"CHILDREN'S WEEK"

—Get Ready for School!

ONLY A FEW MORE DAYS and the youngsters will go happily back to school. And a good number of them will go back with supplies purchased at this store. The children know we always cater to their needs, but we want them to know that this year, in particular, we are still better prepared and are able to save them worthwhile sums on their purchases.

GEE! WON'T IT BE GREAT to crawl out a little earlier in the morning—almost swallow your breakfast whole, run a few errands for mother, do a few chores—and then hike out for school. And best of all, to meet the same boys and girls you chummed with last year! There'll be many new faces this year—and a few of the old ones will be missing—but it will be the same old school. Get ready early!
