Dr. Edith Phillips, 450 Pittock block returned. Broadway 1305.—Adv. Checks Received to Pay Guard Members

Salem, Aug. 25.—Checks aggregating nore than \$24,000 were received at the office of the adjutant general here from the war department for distribution among members of the Oregon National Guard in payment for armory drills.

Most of these checks, it was stated, will as it existed for 20 years prior to the be distributed in Salem, McMinnville, order of the public service commission Medford, Silverton and Portland. Adjutant General White said checks aggregating more than \$115,000 have been distributed to Oregon guardsmen by the war department since the first of the year.

Schools of medicine and agriculture French government.

Salem, Or., Aug. 25 .- The justice of a rehearing, in cross-examination of C. E. insisted, were only fair for an exchange Flaeger, chief plant engineer for the the size of Astoria. telephone company, this morning. Warrenton, according to Barratt, should be treated as a suburb of Astoria in the computation of telephone rates and free

authorizing a toll charge. The reasonableness of the rate of return which is realized by the telephone company on its Astoria plant formed the basis for a prolonged argument between Attorney Mott for the city of Astoria and Flaeger. Mott this morning rehave been opened in West Africa by the was unable to complete Wednesday after- lieved. Gates has been for four terms

Flaeger had admitted that upon its face the present rate of return at Astoria might seem unreasonable to the public, but insisted that when additions and improvements now under way were completed the rate of return would be reduced ot approximately 4.58 per cent,

which he declared was not adequate. Even now, Flaeger insisted, Astoria tell charge for telephone conversation should be in group two (it was placed between Warrenton and Astoria were at- in group three by the last order of the tacked by J. J. Barratt, attorney repre- commission) and paying the higher rate senting Warrenton in the telephone rate schedule of that group. Those rates, he

Can You Name These Power Sites?

Three superb hydro-electric power streams join the Columbia River near Portland.

Northwestern Electric Company owns these power sites, and does a profitable business in the manufacture and development of hydro-electric and steam power in the Portland Power area.

"Hydro-Electro Dividends and How to Get Them" is a booklet telling just where these power sites are, how much power they can produce, and why Northwestern Electric has made money from the start and has just paid its twenty-fifth consecutive dividend to security holders.

It also explains a Special Savings Plan, by which any self-supporting man or woman can become a part owner in Northwestern Electric Company business, properties and profits through investment in its Cumulative First Preferred Stock paying 7.37 per cent on the investment and sold on interest-bearing partial payments.

This issue is limited to 10,000 shares.

Telephone, call or write today for free illustrated booklet, "Hydro-Electric Dividends and How to Get Them." Address
