

ROBERT LANSING MAY REPRESENT CHINA AT PARLEY

By Robert J. Bender
United News Staff Correspondent

Washington, Sept. 12.—Former Secretary of State Robert Lansing may sit in at the conference on disarmament and Far East, representing a foreign power.

Lansing, it is learned in reliable quarters, probably will be, or has been asked to act with Dr. Paul Reinsch as counsel for the Chinese delegation. Lansing is now out of the city and, pending final outcome of the matter, neither his office here nor the Chinese legation was able to make any statement on the question.

Former Service Recalled

At the legation, however, it was pointed out that Lansing and his father-in-law, the late John W. Foster, acted as counsel for the Chinese government 19 years ago and that even recently the Chinese here have "kept in touch" with Lansing.

The possibility of Lansing's participation in the conference is interesting in light of his break with former President Wilson following the Paris peace conference, and the exceptions he took, in his book on the negotiations there, to settlements Wilson approved in the Far East. Lansing also was co-author of the agreement negotiated between the United States and Japan in 1916, which was interpreted to mean American recognition of Japan's "special interests" in the Orient.

Knows Eastern Situation

It is because of his intimate knowledge of Far Eastern problems, as well as his experience on the American peace commission at Paris, that Lansing is said to be sought by the Chinese government to cooperate with Dr. Reinsch as counsel during the parleys here on Far Eastern settlements.

If Lansing serves he will be the first of the Wilson peace commissioners to be called into the forthcoming diplomatic struggle for peace in the East and armament limitation. General Bliss, another of the Wilson commission, might be expected to be called by Harding in an advisory capacity to the already selected American negotiation group, but there has been no announcement to this effect.

Harding Sees Show, Plays Golf; Plans Return to Capital

By Frank Stetson
New York, Sept. 13.—(I. N. S.)—President Harding and his vacation guests today boarded the yacht Mayflower at the Brooklyn navy yard and cruised through the sound to a wharf near the Piping Rock Golf club on Long Island, where the president spent the morning at his favorite sport. He had as opponents Senator Joseph Frelinghuysen of New Jersey, Henry P. Fletcher, under secretary of state, and Dr. Albert Ely, a friend of the New Jersey senator.

Some time today the president planned to return to the Mayflower and start to Washington in a leisurely cruise. The president enjoyed a theatre party here and was sincerely greeted by many, though there were no large crowds as his visit was a surprise.

The president said he would be back in Washington by Friday, but further than that would not disclose his plans.

60,000 Rail Workers To Meet at Chicago To Weigh Wage Cuts

Chicago, Sept. 12.—(U. P.)—Sixty thousand railroad employees will meet here Sunday to consider the present wage difficulties with the roads.

The announcement of a meeting was made today by Bert M. Jewell, president of the railroad department of the American Federation of Labor.

Jewell, who is to address the membership, would not reveal the nature of his speech.

The meeting was called in view of the fact that shop employees all over the country have voted overwhelmingly against acceptance of the wage cut that went into effect July 1.

McMinnville Pays Tribute to Former Official at Funeral

McMinnville, Sept. 12.—McMinnville citizens turned out almost as a body to pay final tribute to the memory of George W. Henderson, former city official, who died Saturday of blood poisoning, following amputation of his foot. Funeral services were held today under lodge auspices.

Mr. Henderson was a Civil War veteran and was 76 years of age. He came to McMinnville 27 years ago and erected and operated the Commercial hotel near the railroad station for 14 years. After retirement he became active in municipal affairs, serving for 12 years as city councilman. He planned and cared for the city park.

Faithful Wife Fails To Stave Off Fine

Albany, Or., Sept. 13.—H. C. Bleaser, whose wife refused to leave him when he was placed in jail Sunday night, was fined \$25 in the city court here Monday, after he had pleaded guilty to a charge of being drunk and disorderly. As an outgrowth of this case Fred Hughes was arrested, charged with the sale of intoxicating liquor. Bleaser is the complaining witness. Hughes pleaded not guilty.

Lives Lost in Texas Flood May Be 300; Damage, 20 Million

Dallas, Texas, Sept. 12.—(I. N. S.)—The number of known dead as a result of the cloudburst and tornado which struck South, Central and Southwest Texas last Friday night had mounted to a total of 168 today.

It now seems certain that over 300 must have lost their lives. Latest reports were from localities where, while it was known flood conditions prevailed, no previous mention had been made of loss of life.

Following is the most recent summary of bodies recovered:

San Antonio, 49, nearly all Mexicans; Elm Grove, 29, all Mexicans; Lanerport, 23, all Mexicans; Thorndale, 45, all Mexicans; Alligator Creek, 5, all Mexicans; Lawrence Crossing, three negroes; Bland Farm, near Taylor, four Mexicans; San Gabriel, 10, one white and one negro, eight Mexicans.

Maynard Robinson, division superintendent, and F. W. Leatherberry, division civil engineer of the Santa Fe with headquarters at Temple, have been missing since Sunday, after starting out on a trip of inspection in a rowboat. It is impossible to accurately estimate property damage, although a conservative estimate places the total loss in the stricken district at \$20,000,000, including loss to crops and damage to rail lines and station equipment.
