Will Be Missing Ohio State Squad

COLUMBUS, Ohio, Sept. 10.—Doubt tinges the pre-season football horizon at Ohio State, home of the 1920 Big

While the Buckeyes are rated high in the dope emanating from other Western Conference schools, local followers of the scarlet and gray are not so optimisti at this stage of the game. Coach Wilce faces the loss of eight let

nothing of the ineligibility of Hoge Workman forward passing star of last year's eleven. In the backfield he will be without Pete Stinchcomb, all-American half; Willaman, all-Western full-back, and Henderson and Bliss, veteran halves. Nemecek and Taylor, star cen-ter and guard, respectively, of last fall, also are out by the graduation route.

To offset these "casualties" Dr. Wilce
Probably will have Butch Pixley, giant guard, who in 1919, won a place on Walter Camp's third all-American, besides a number of promising stalwarts

from the 1920 freshman eleven. Boni Petcoff and Tee Young, both from Toledo, and the cream of the fresh sall off the affair for Saturday to permit brilliant backfield man, who captained line of last fall, and Johnny Stewart, the yearling eleven in 1920 bear the bulk of local hopes from the new material. When Dr. Wilce assembles his candidates September 15 on Ohio field, he probably will have a dozen letter men among the three score or more who are

expected to report. Cyril E. Myers, Bucyrus, the end who scored the now famous "after the whistle" touchdown against Illinois last fall, which cinched the Big Ten title for the Buckeyes, is captain of the team.
