## Practical Factory Demonstration

Which Begins Tomorrow at Meier & Frank's

Special Universal factory representatives will be here this week to explain the merits of this famous make of ranges, heaters and pipeless furnaces. There will be practical baking demonstrations on the Universal Combination range. As a special inducement to purchase during this demonstration the factory has authorized us to include a \$15 porcelain top kitchen table free with every range or furnace sold. Do not fail to take advantage of this extra special free offer.

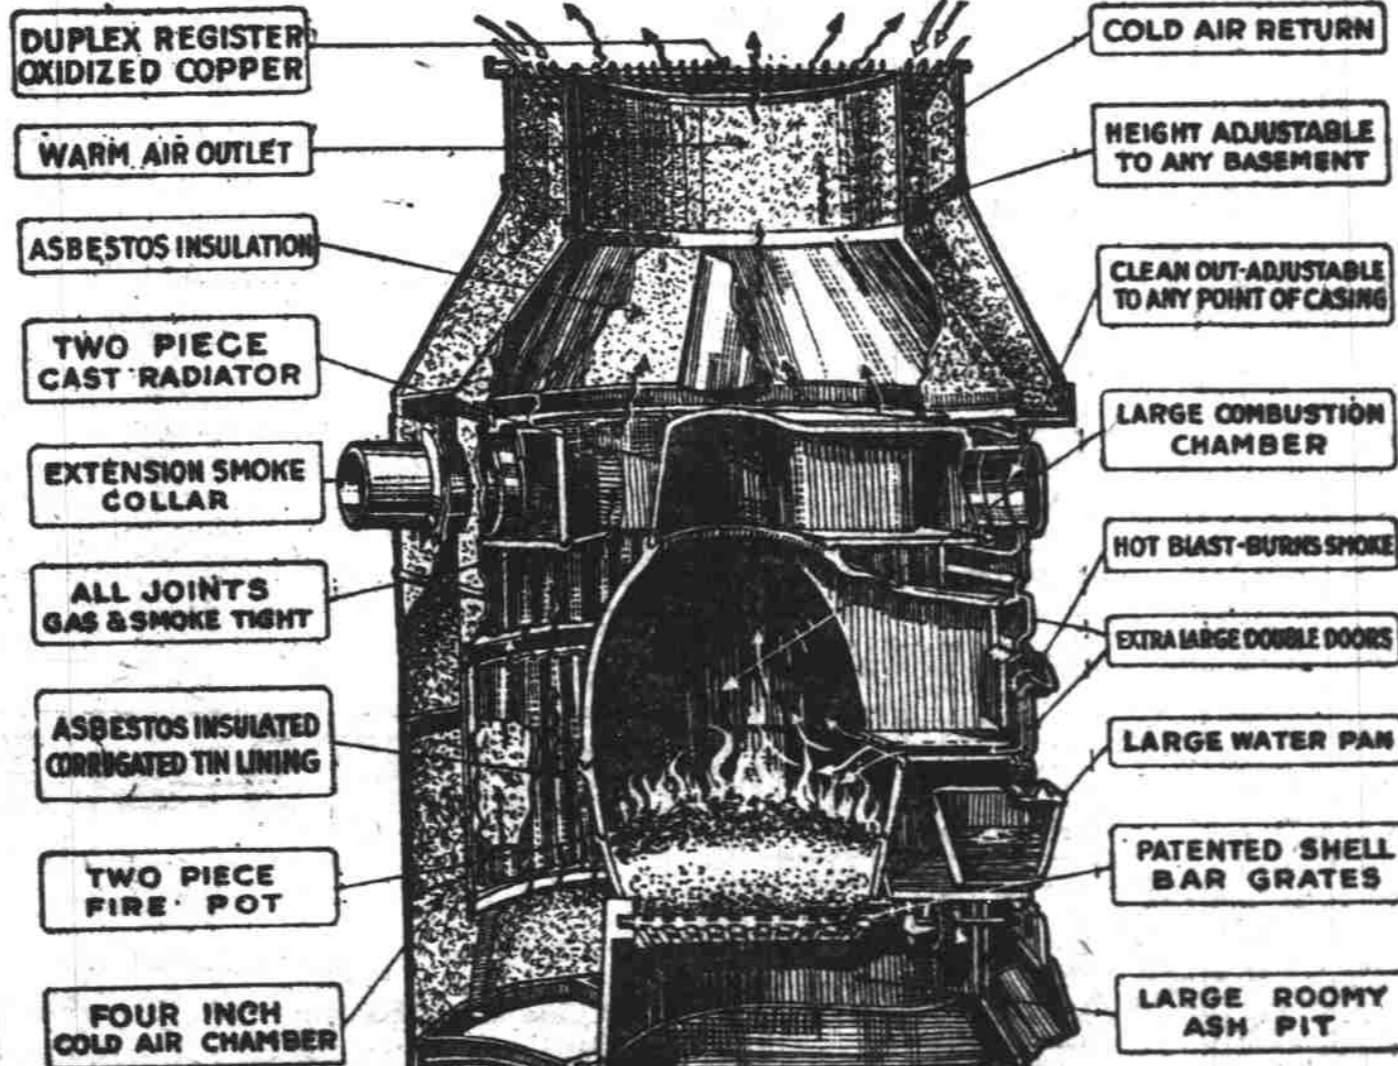

### "Universal" Ranges

have for many years enjoyed a nation-wide reputation for durability and good baking. Our assortment of Universal Ranges includes a wide variety of styles and sizes in steel ranges, cast-iron ranges and the beautiful "Univit" all porcelain ranges. We are sole Portland agents.

### "Universal" Furnaces

The Universal Pipeless Furnace burns wood, coal or briquettes. It is properly constructed to meet local fuel and weather conditions. It heats the entire home through one register—no pipes in walls or basement. Can be installed in almost any home—old or new. You get heat almost instantly upon lighting the Universal Pipeless Furnace.
