"The Greatest Sale of Housewares We've Ever Held"

So says the man who has been conducting our housewares sales for years.

"There isn't an article that isn't absolutely Meier & Frank quality—and look at the prices!"

Certainly there's no question about the qualities. Anyone who has had the experience of actual use of housewares of any kind knows that appearances are of little account—it's in the usage that quality shows and means so much.

Only the very best of housewares goes into this sale, for it's all our own regular stock.

A few of the things reduced for this semi-annual selling:

- Aluminum Tea Kettles, Sauce Pans, Roasters, Preserving Sets, Etc. Stepladders, Waffle Irons, Medicine Cabinets, Skillets, Clothes Baskets, Fruit Jars, Ironing Boards, Egg Beaters, Wash Tubs, Wash Boilers, Galvanized Pails, Etc., Etc.

And the prices are not lowered prices of six months or even two months ago—prices have been coming down steadily and the sale prices are the last-minute lowered prices still further reduced. Get your share of the savings tomorrow.
