

SLEEPY LEE SENT TO NAP FOR KEEPS

San Francisco, Sept. 23.—(I. N. S.)—His desire for five minutes' more sleep probably cost the life of Lee Yok Leong today.

Awakened by his brother, Lee Wing, he expressed a desire for another nap. Wing left their hotel room and before the five minutes had passed 14 shots rang out. Police found Yok Leong dead, seven of the 14 shots having taken effect in his body. Three revolvers were found in the corridor of the hotel.

Police learned Yok Leong had recently resigned from the Hop Sing. They attribute the shooting to a rival gang which was unaware of his retirement.

Police Sirens Often Sound Unheeded by Motorists, Is Claim

Not sufficient attention is being paid by motorists to the sirens of the police and fire departments which are used in emergencies, according to Investigator T. C. Freilberg of the traffic department, who says the public is becoming more and more lax regarding the regulations.

When a siren is sounded traffic should go to the curb and stop until the vehicle sounding the alarm has passed, according to the city ordinance. "I am confident that sooner or later we will witness some terrible accident due to the carelessness which the public exhibits regarding the emergency vehicles," said Freilberg, after recent accidents in which police machines were involved. "There are times when an emergency call must be answered in a hurry, and there is no need for an officer to jeopardize himself and the public or a moment of some people's utter disregard of the law."

COPS AND MAIL MEN THRIFTY

Many mail carriers, policemen and members of the Portland fire department have joined The Journal's thrift campaign and opened savings accounts in the Lumbermens Trust company bank at Broadway and Oak street. In the above group, from left, Vice President Louis Seagrave is seen starting savings accounts for S. T. Tully and W. H. Stiles of the police emergency squad and A. W. Frank of the postal service.

The fixed salary of the civil service employe makes systematic saving essential to his economic well-being. There is no "if" in the mail carrier's financial expectation. So long as he remains in the employ of the postal department he can figure almost to a certainty what his salary will be for many months ahead. The same is true of the fire department and the police department. The only way these men can hope to get anything ahead is by carefully saving something out of their monthly salary. That so many of them have taken advantage of The Journal's thrift offer should be an example to other salaried men in civil pursuits.

BARBER HANGS HIMSELF E. H. Winfield, who operated a small barber shop at 4512 Woodstock avenue, where he and his wife and two children lived, hanged himself early this morning to a tree in the rear of the shop. Deputy Coroner Falk removed the body and turned it over to Kenworthy Undertaking company. Winfield had been ill.

KELLY
SPRINGFIELD
TIRES

WE have seldom indulged in superlatives. Kelly quality has been so well established that it hasn't been necessary. Today, Kellys are better than ever, but their price has been materially lowered. Exhaustion of war-priced material and economies made possible in the new Cumberland Plant have brought down costs and this saving is being passed along to the user.

Now you can buy Kellys for the same prices you will have to pay for other tires that have always sold for less.

Kelly Cords are made in two types: the Kant-Slip Tread which offers a resistance to wet, slippery streets that makes skidding next to impossible, and the sturdy Block and Button Tread. Both are long mileage tires and sell for the same price.

Even egg doesn't tarnish the silver

POLISHING SILVER is a rare event in homes where California Citrus Washing Powder is used in the dishwasher.

Even egg spoons maintain a cheerful appearance for months at a time without having to be treated to a rubbing with silver polish.

And when you bring out into the light seldom used silverware that fails to give forth the lovely soft gleam which is its heritage, simply put it into an aluminum pan with a pinch of Citrus in the water and set over a slow fire. Wash it! Like magic all dullness and tarnish will disappear! Rinse in fresh warm water and dry. It will be beautifully white and bright.

Wherever there's a dishpan there should be a package of efficient, fragrant Citrus.
