We are in a position to offer something unusual We have taken over a small subdivision of 80 lots at 45th and Fremont streets, which we can sell you for \$500 on any reasonable terms. There are no rustriction, on those lots and they are just outside the, city limits; no city taxes to pay, and no building inspectors to bother with, and we are in position to finance your building, so if you want to best the landlord drive out to our branch office on Sunday, or so to 45th and Fremont. We will be giad to show you this property. Broperty, HILLER BROS., Resitors 211 Ry. Ex. bldg. Main Branch Office, 50th and Sandy. Tabor 8485.

Do you realize the full advantage to accrue to you by reason of the bonus loan? You pay but \$180 yearly, which in less than 28 years' repays, interest and principal. Let's suppose that I borrow the same amount of money. I must have about twice the amount of security required of you and I pay \$210 yearly, which applies on interest only. At the end of 28 years I have paid \$840 more than you and still owe the \$2000, while your \$3000 is fully-paid. Think well before you let any one talk you into taking the cash and REMEMBER that to get the full value of your loan you pay just \$15 mouthly. Therefore be sure that you are buying in a district where prices are certain to advance—where your property can readily find a desirable tenant should it become necessary for you to lease it.

With 14 years' experience in handling Portland real estate we are competent to advise you.
