Jamous Since the days of Barbara Fritchie Chase Brothers Eminent English Pianist Writes: "After playing on your (Chase Brothers') Baby Grand, I was very much pleased with the mellow tone and responsiveness of the instrument." (Signed) W. ALLEN SCHOFIELD, Pianist, London, England. Hundreds of such letters, from eminent musicians, have accumulated and further substantiate Chase Brothers original ideal—to create a piano of rich singing quality and responsive, powerful tone. A piano to hold a unique position in the world of better music because of satisfying tonal quality, beauty of design and flawless finish. It is only natural that such true quality, perpetuated by fair prices and sincere cooperation, early became the untrammeled choice of music lovers the world over. If you love music, you'll love Chase Brothers Pianos and Reproducers. You should come in and hear the difference.
