## AUTOMOBILES—FOR SALE 800

# HUDSON AND ESSEX

Automobiles that have been rebuilt or renewed, are in the best of mechanical condition—they are also warranted the same as factories warrant new cars. In addition, we give 90 days' free mechanical service.

This is not new on Hudson automobiles. We have rebuilt and sold them with a warranty since 1916. You buy a first quality car with the same safety as when you purchase a new automobile. Buy a car you can depend upon and at a bargain price.

Other makes of used automobiles thoroughly overhauled, put in first-class condition and sold with a 10 days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

This gives ample time for every purchaser to try out the car he buys, gives him time to have it inspected, as we want only satisfied customers.
