TO EXCHANGE REAL ESTATE 413

An Unusual Exchange These hard times are liable to pinch somebody who has made his purchase of a home during properous times, and now the question arises how to meet the balance coming due?

I have an Eastern client who has 287 acres of land lying about 4 miles from Lebanon on a good graveled county road with about 150 acres under plow, free and clear of all incumbrances. He finds farm tenants generally unprofitable. Is willing to take property with encumbrance for part or all at \$75 per acre. acre.
About 150 acres of this land lies almost level and has a creek crossing one corner. Has modern buildings with every convenience. About ½ mile from school. He pre-fers to trade for Residence properties from \$2500 to \$4000, in Portland or good Valley Town.

If your equity is attractive we can trade. We will sub-divide to suit. But your offering must have merit. C. I. Leavengood
