

Eastern Colored Heavyweight Arrives for Battle With "Denver Ed" at Milwaukee

Harry Wills, Giant Boxer, Ready for Go

HARRY WILLS, the colored heavyweight—the only batter who has shadowed falls across the path of World's Champion Jack Dempsey—and P. B. Cantin, representative of Paddy Mulvey, arrived here Monday night to prepare himself for his 10 round contest with "Denver Ed" Martin in the Milwaukee boxing commission arena Friday.

Wills is a giant. "Denver Ed" is big, but Wills is bigger. He carries around a broad pair of shoulders, lengthy arms and a pair of hands like bear claws. He weighs between 215 and 220 pounds and appears to be in good condition, and ready for the battle.

Wills started training Tuesday afternoon at the Olympic gym at 3 o'clock. He will work Wednesday and Thursday afternoons at the same hour.

The big fellow has confidence in himself. That is a big asset for a batter to have. He has only lost four contests since he began fighting, losing to Sam McVey in 20 in 1914 and being knocked out by Sam McVey and Langford in the same year. Langford knocked him out again in 1916 in 19 rounds and he lost to Jimmy Johnson in 1921 after breaking his arm in the second round.

He has, however, knocked out Sam McVey and Langford in recent years. The big fellow is only 29 years of age and when he first met McVey and Langford was only 22 years old.

MARTIN WORKING HARD

The batter he has beaten this year are Bill Tate, twice; Jeff Clark, Ray Johnson, Ray Bennett, Gunboat Smith, Clem Johnson, "Batting" McCreedy, Jack Thompson and Andrew Johnson.

Reservations for the bout are swamping the Milwaukee officials. Indications are that a record attendance will be in the Milwaukee arena when the two colored battlers tangle.

Martin is saying nothing. He is going ahead and working hard for the contest.

Heine Schuman to Make Debut Against Allison Tonight

Chicago, Nov. 15.—(U. N. S.)—Heine Schuman, sturdy welterweight from Denver, finished his training at the local gymnasium Monday afternoon for his 15-round clash with Neale Allison at Springfield, Ill., tonight. It will be Schuman's first invasion of the Central West.

Schuman is confident of winning on a knockout, although he says the local prospect in the Denver fighter. He plans to take him to New York in a few weeks. Several matches have been offered him around Chicago. After several contests in this part of the country, Brooks announced that he would accept for Schuman the offers he has received from New York, Philadelphia and Boston.

It is Brooks' contention that with Jack Britton ready to give up his grip on the welterweight championship, Schuman is the logical man to annex the crown.

Rowing Club Will Move to New Site At End of Month

THE Portland Rowing club has received official notice from the Inman-Poulsen Lumber company that the waterfront of the present club site must be vacated by December 1. The notice was read to the members of the organization at the annual meeting held in the club house, foot of Ivon street, Monday night.

This means that the floats of the club will be moved within the next week, but to what location has not been settled. There are houseboats and log rafts on the new Portland Rowing club site just south of the east approach to the Sellwood ferry, and it was the decision of the members that if the floats could be moored just south of the new property for the time being then it would not be necessary to have the privately owned houseboats moved on so short notice.

The ticket submitted by the regularly appointed nominating committee, consisting of three last presidents, C. P. the organization—H. E. Judge, chairman, Arthur A. Allen and Lewis H. Mills—was unanimously elected Monday night. The new board of directors was made up of Harold C. Howes, E. A. Stevens, Frederick R. Newell, R. C. Hart, Floyd C. Lynch, Ollie J. Horsford and Lawrence B. Edwards and a meeting will be held shortly to elect officers.

Aggie Squad Line-up Will Be Changed

REPORTS from Corvallis indicate that Coach Rutherford plans to revamp his entire squad for Saturday's big game with the University of Oregon team.

In secret practice Monday, Rutherford tried out new combinations, but refused to state what four players would start against the Lemon-Yellow.

Ev Miller, the Aggie punter, will likely be one of the warriors, who will be in the game on account of his kicking ability. Joe Kasberger, who was one of the Aggies who did his utmost to turn the tide of defeat in the Cougar game, is almost sure of a position.

Kasberger is playing bang-up football. He has the spirit and is a fighter to the last ditch.

Powell, whose legs handicapped his offensive ability against the Cougars, is likely to start, or it may be possible that Coach Rutherford will save him until the Aggies have a chance to score and then rush him into the game with a hope of putting over a touchdown.

Whether Kasberger or McKenna will start at quarterback remains to be seen. The Aggies have a fight on their hands. It may be that they were in a slump with the Cougars and if they were there's some hope for them against Oregon, but if they just naturally slipped, an Oregon victory Saturday would not be surprising.

Coach Huntington will start the same team against the Aggies as he did against Washington State with the exception that Johnson will start at Gram's half. Johnson played a great game against the Cougars, and aided in tying the score by his ground gaining ability.

The Aggies are working out on a turf field, the corner of the stadium, and accustomed to the footing on Hayward field.

The advance sale of seats in Portland indicates that a number of members of the alumni of both institutions as well as other football fans will take in the contest.

CLUB TEAM TO WORK OUT FOR ARMY CONTENT SATURDAY

The Multnomah club football squad will work out tonight to prepare an offensive for the game against the Ninth Army team of Camp Lewis to be played Friday afternoon on Multnomah field. Coach Hillbrook does not contemplate making any change in his line-up, but plans to drill his linemen in the art of blocking opponent rushes.

Gonzaga ripped big holes in the club line by their off-tackle play and the club team seemed to be unable to solve the attack.

All the club players are in good condition. Workouts will be held Wednesday and Thursday nights.

Tickets for the game will be placed on sale Wednesday at Spalding and Meier & Frank's.

French Billiardist Loses First Match

Chicago, Nov. 15.—(U. N. S.)—Inability to spread "oil" over the table and give his opponent something to shoot at cost Roger Conti, the French billiard star, his match with Weiker O'Shanan in the opening event of the National 18.2 billiard championship billiard tournament here.

Cochran was palpably nervous at the start and recorded a couple of miscues but Conti, who is not 21, proved to be unexperienced and could not "saw up" his American rival. Cochran won the match 400 to 234. Cochran steadied himself during the opening innings and shot brilliant billiards.

The first match on today's program will see the veteran Ora Morningstar in action against Edouard Horeman, the Belgian marvel. Jake Schaefer and George Sutton also will meet this afternoon.

Willie Hoppe, the champion, is expected to have an easy time on his first appearance in the tournament tonight when he meets Conti.

Grid Squads Prepare for Final Games

NEW YORK, Nov. 15.—(U. N. S.)—Coaches and players of leading football eleven throughout the country set out today to the serious business of "pointing" for the final games on their schedules.

Saturday will mark the close of the season for many of the big teams. Others will be idle Saturday, winding up their seasons on Thanksgiving day.

No less than three big championships will be decided Saturday.

Yale, with a glowing victory over Princeton, a clean slate for the season and a distinct psychological advantage over Harvard, will tackle the big Crimmins eleven at Cambridge in an effort to annex the Big Three championship.

Tad Jones' team should win. This is the consensus of opinion among football experts everywhere. The Harvard team will be invited to play at Pasadena against the winner of this game on New Year's day.

YALE FAVORED TO WIN

Boston, Nov. 15.—(United News).—For the first time in years, the Yale eleven will go into the annual football classic Saturday in the stadium a big favorite over Harvard. For Princeton beat Harvard, and then Yale trimmed Princeton, which undeniable facts seem largely responsible for the good odds.

A deluge of Yale money is reported, and the early betsmen say Yale will win 2 to 1. Most of the wagering, however, runs 10 to 7, or 10 to 6.

CHAPIN TO START IN GAME

Cambridge, Mass., Nov. 15.—(U. N. S.)—Rain marred Monday's workout by the squad in shape for a Tuesday contest. As a result, Coach Bob Fisher sent his men through a stiff drill today. It was learned that Chapin may be in the Crimmins backfield with Bush, Owen and Pitts to start Saturday's game. Chapin has been out with an injured arm, but it is all right now.

BULL DOGS WORKING HARD

New Yorkers To See But a Few Big Goes

NEW YORK, Nov. 15.—(U. P.)—When the Walker boxing arena was passed, New Yorkers sat back and dreamed of a championship bout every week.

Tex Rickard did his best to make the dreams come true last winter, but the prospects are not so good as the new season approaches.

Rickard and other promoters have a double difficulty in arranging championship bouts. In some divisions there are no suitable opponents for the champions and in the other classes where talent is more plentiful, the title holders refuse to fight to a decision.

BENNY REFUSES

Benny Leonard, the lightweight king, has stated emphatically that he will not box in New York because of the general incompetence of the judges appointed by the boxing commission to weigh the merits of the boxers.

Leonard is not the only one to criticize the poor work of the officials. Boxers of all divisions and the fans have observed that some glaring injustices have been done by the judging. There has been no charge of "crooked work." The boxers complain merely that the judges are doing bad work because they don't know better.

DEMPESEY WILLING

Jack Dempsey is willing to put his title at stake, but there is no one in the field to give the heavyweight champion a battle. Johnny Wilson, of course, will not fight with Dempsey. That is no dig at the judges, however, because the middleweight champion will not get into any ring for a decision fight. Jack Britton is willing to fight in New York, but there are no welterweights there, only one unless it might be Benny Leonard, who is rapidly reaching his poundage. Incidentally, the Britton receipt of a telegram from Hugo Bezdek, coach of the State squad.

Bezdek, in his telegram, declared it was impossible for Penn State to play December 10, but again made an offer to play the club eleven December 6, three days after the game with Washington at Seattle.

In view of the fact that the club eleven plays the Pacific Fleet team December 3, it would be impossible to have the squad in shape for a Tuesday contest. It would also be impossible for Multnomah to guarantee the Penn State \$5000 on a weekday game.

The Pacific Fleet team is endeavoring to arrange a game with Penn State or some Eastern team for Christmas day in the Stanford stadium. Bezdek's refusal to remain in the Northwest after December 6 means that he will also reject the offer of the Fleet eleven.

Alberta Man Buys Famous Corn Cob

Corn Cobb, celebrated high jumper at the night horse show at the Pacific International Livestock exposition, was sold Monday by J. Jarvis of Edmonton, Alberta, to James McCleave of Victoria, B. C. The horse made the high jump record at the show this year for ponies under 14.2 hands, clearing the bars Thursday at 6 feet 2 inches and Saturday at 6 feet 3 inches. Corn Cobb is not the best jumper in the McCleave stable, however, as Moderation made 6 feet 4 inches at New Westminster in September. The sale price was not made public.

BOXING

New York, Nov. 15.—(U. P.)—Jeff Smith, Jersey middleweight, through his manager, Al Lippe, today offered to appear for nothing against Johnny Wilson on the card being arranged for the Jewish relief at Madison Square Garden November 23. Benny Leonard is to meet George Ward as the star number of the bill.

New York, Nov. 15.—(U. P.)—Phil O'Dowd, Columbus bantam, who pulled a surprise recent by beating Joe Lynch, will get the next crack at Johnny Buff's title if he wins from Sammy Nabe, New York bantam, in a bout here tonight.

Philadelphia, Nov. 15.—(U. P.)—Joe Tipton, Philadelphia lightweight, shaded Jimmy Hanlon, Denver, in a stalling eight round bout here last night.

Cincinnati, Ohio, Nov. 15.—(U. P.)—Jack Lawlor, Omaha, shaded K. O. Mars, Cincinnati, in a furious 10 round bout here last night that was devoid of knockdowns. Lawlor won because Mars waited until too late to make his fight.

Buffalo, N. Y., Nov. 15.—Mike O'Dowd, former middleweight champion, beat Young Paskey in a six round bout Monday night. Paskey was knocked through the ropes five times in the first six rounds.

HOUSE LEAGUE SCORE

"Mickey" Wisley's team is the only thing that stands in the way of Vincent Jacobberger's quintet winning the 1921 title of the upper brackets of the annual Multnomah Amateur Athletic club house basketball league. Monday night the Jacobbergers won from Billy Lewis' squad, 27 to 22. The Jacobberger-Wisley contest is set for next Monday night with Harry Fischer, manager of the "Winged M" football team, as the referee.

much money for the risk that even Rickard can't meet his terms.

The bantamweights are about the only ones willing to get in and listen to the decisions but they are having a lot of fun passing the title around among each other. The figures perhaps, that if they go in the ring often enough their opponent will get a bad decision and they will get a good one.
