

## STANFIELD ABSENT 10 TIMES DURING VOTE ON TAX BILL

Washington, Nov. 17.—(WASHINGTON BUREAU OF THE JOURNAL).—This is the story of two days' voting on the revenue bill in the senate. The time chosen is during consideration of excise tax amendments. They are easily understood. Some were highly important from the revenue standpoint, and most of them involved amounts in the millions.

The two days for which this abstract was made were October 31 and November 1. Long sessions were held each day and running well into the night. The votes of nine senators are selected. McNary and Stanfield of Oregon and Jones and Poindexter of Washington, senators of the Pacific Northwest; Lodge, the Republican leader; Capper and Kenyon, typical progressives, and Lenroot, who may be said to stand midway between Kenyon and Brandegee.

**VOTE FOR CORPORATIONS**  
It will be noted that Capper, Kenyon, Jones, McNary and Lenroot generally fall into one group, favoring excise taxes on luxuries and near-luxuries. Brandegee, Lodge and Poindexter are in the opposite group. Stanfield was recorded only six times on the 16 votes which took place during the two days, so his classification is less conclusive. The vote of each of the nine senators is given below, with a line explanatory of each amendment and the result by which agreed to or rejected:

Lodge amendment to exempt holding companies from capital stock tax (this would have them about \$20,000,000). Agreed to, 32 to 30.

Ayes — Brandegee, Lodge, McNary, Poindexter, Jones — Capper, Kenyon, Lenroot, Jones, Absent—Stanfield.  
**STANFIELD ABSENT AGAIN**  
Reed amendment to require such companies to pay graduated tax of \$2 to \$5 per thousand on capital stock over \$250,000, which would raise \$217,000,000 revenue. Defeated, 17 to 44. Ayes—Kenyon, Jones — Brandegee, Capper, Jones, Lenroot, Lodge, McNary, Absent—Stanfield, Poindexter.

Simmons amendment for milder form of stock tax of \$1 to \$2 per thousand, motion by Penrose to lay on table adopted, 35 to 28. Ayes—(to table) Brandegee, Lodge, Jones — Capper, Jones, Kenyon, Lenroot, Lodge, McNary, Absent—Stanfield, Poindexter.

Lenroot amendment, for \$1 tax per thousand up to \$3,000,000 and \$2 tax beyond, agreed to, 45 to 10. Ayes—Capper, Jones, Kenyon, Lenroot, Lodge, McNary, Jones — Brandegee, Poindexter, Absent—Stanfield.

McCumber amendment to strike out 1 per cent tax on sporting goods, agreed to, 31 to 30. Ayes—Brandegee, Lenroot, Lodge, Poindexter, Jones — Capper, Jones, Kenyon, McNary, Absent—Stanfield.

### GUM TAX REJECTED

Committee amendment for 2 per cent tax on chewing gum (this would raise about \$1,000,000 revenue) rejected, 25 to 34. Ayes — Capper, Jones, Kenyon, Lodge, Jones — Brandegee, Lenroot, McNary, Poindexter, Absent—Stanfield.

Preindustrial amendment to strike out 10 per cent tax on candy selling for more than 40 cents a pound, agreed to, 39 to 23. Ayes—Brandegee, Capper, Jones, Lenroot, Lodge, Poindexter, Jones — Kenyon, McNary, Absent—Stanfield.

Reed amendment, to make candy tax 5 per cent instead of 3, rejected, 19 to 31. Ayes—Capper, Jones, Jones — Brandegee, Kenyon, Lenroot, Lodge, McNary, Poindexter, Absent, Stanfield.

Smooth amendment, to strike out 5 per cent tax on furs, agreed to, 41 to 25. Ayes—Brandegee, Capper, Jones, Lenroot, Lodge, McNary, Poindexter, Stanfield, Jones — Jones, Absent—Kenyon.

Committee amendment, 10 per cent tax on yachts and pleasure craft selling for more than \$15, agreed to, 44 to 19. Ayes—Capper, Jones, McNary, Stanfield, Jones — Brandegee, Lodge, Poindexter, Absent—Kenyon, Lenroot.

### EXEMPTION INCREASED

Hale amendment to omit tax on canoes, rejected, 23 to 37. Ayes—Brandegee, Lenroot, Poindexter, Stanfield, Jones — Capper, Jones, Kenyon, McNary, Absent—Lenroot.

Calder amendment to increase exemption for tax on yachts and pleasure craft from \$15 to \$100, agreed to, 35 to 28. Ayes—Brandegee, Jones, Lenroot, McNary, Poindexter, Stanfield, Jones — Capper, Kenyon, Absent—Lodge.

Committee amendment, 5 per cent tax on works of art, paintings and sculpture, agreed to, 33 to 18. Ayes—Capper, Jones, Lenroot, McNary, Stanfield, Jones — Brandegee, Absent—Kenyon, Lodge, Poindexter.

Committee amendment, hotel room tax of 10 per cent on charges above \$5 per day, rejected, 12 to 52. Ayes—Capper, Jones, Kenyon, Jones, Brandegee, Lenroot, Lodge, McNary, Poindexter, Stanfield.

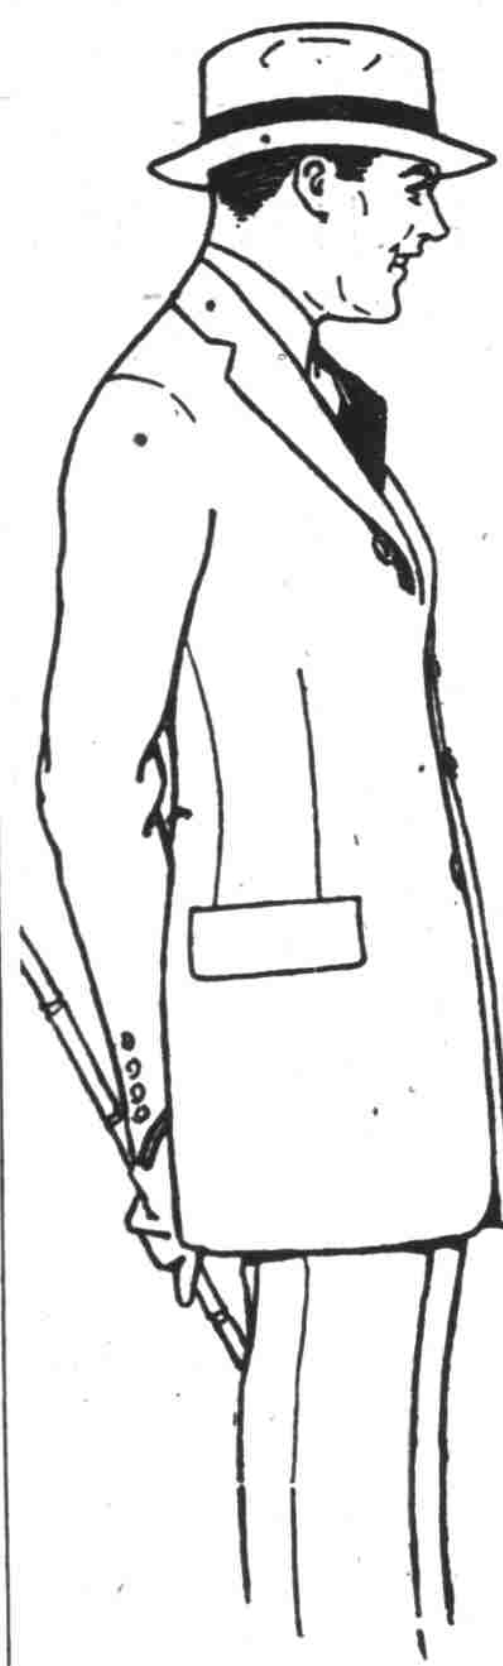

### STANFIELD MISSED TEN

Wadsworth amendment, to strike out 10 per cent tax on small photographic cameras, rejected, 9 to 44. Ayes—Brandegee, Jones—Capper, Kenyon, Jones, Lenroot, Lodge, McNary, Poindexter, Absent—Stanfield.

Wadsworth amendment to reduce tax on cameras to 5 per cent, rejected, 23 to 30. Ayes—Brandegee, Jones, Lodge, Jones — Capper, Kenyon, Lenroot, McNary, Poindexter, Absent—Stanfield.

The record of the two days shows that Brandegee, Capper, Jones and McNary did not miss a roll call, Kenyon and Poindexter missed three each, Lodge and Lenroot two each, Stanfield missing 10. During the two days there were also 13 roll calls to develop a quorum, all of which were responded to by McNary, while Stanfield answered four times.

## INDIVIDUALITY

### —A Salient Feature

OF ALL THE FACTORS which go to make up the goodness of a garment, none are more important than individuality, yet it is the one which is too often overlooked. Many is the time we could buy garments which would yield a bigger profit, but we refrain from doing so simply because such garments lack that certain thing which goes to make up individuality. That is why the woman of critical taste selects her apparel at this store, where quality always parallels the selling price.
