New York-David Warfield's first hit Thirteenth and Clay streets, will meet in New York was in the character of an tinerant hat peddler. He would put Survey subject, "Honolulu." Mrs. Mc-a non-fitting hat on his customer's head Mahan leader. There will be a musical nd say, "Fine, fine. Don't touch it." But the felt hats so universally worn women this fall are not those kind of ts. The new felts not only can be hats. touched, they can be pulled on and off and twiated and cocked to suit the indi-vidual taste and profile of each wearer. The majority, of them are simply rimmed either with embroidery or coque feathers and adapt themselves readily to any style of conferr and any state of wind and weather. Tans and browns are the favorite shades.

Paris-Sleeves-long sleeves-certainly are the fashion feature of the daypour la moment. They are put into the shoulder without crease of wrinkle and are voluminous, heavily embroidered, fur-trimmed and spangled. Some have tight-fitting cuffs and some have slits above or below the elbow through which the arm may be passed if desired. The lower part of the sleeve is often a different material from the frock and cometimes takes the form of a huge "mousquetaire" of embossed velvet, fur or bead embroidery.

New York-They shall not bunch. The modern woman is as determined in mak-ing that demand of her winter underwear as were Papa Joffre's soldiers in denying passage of the Marne. As a consequence, there has been a strong emand since the recent cold weather rrived, for glove silk underthings which warmth and comfort with moothly tailored snugness. The range colors in this lingerie now is extremely varied, black sets being esecially in demand.
