

### BOYS' AND GIRLS' CLUB PRODUCTION

## \$18,273 IN YEAR

T. D. Kirkpatrick, director of boys and girls clubs in Portland schools, has submitted his annual report on the accomplishments of the year.

A total of 732 youngsters were enrolled in club projects during the year, of whom 727 completed the work. The total value of their production was \$18,273.01, and the total cost \$7,112.82, leaving a net profit of \$11,160.19. In addition, \$719.75 was won in prizes, making a total net profit of \$11,879.94.

State championships were won in egg production, young chickens, does and kids, and canning demonstration teams.

#### PROJECTS ARE LISTED

Of the different projects, 333 children made a net profit of \$299.27 on 39 acres of ground; 128 children raised 1239 chickens, 10 turkeys and 12 ducks, besides producing 8910 dozen eggs, with a net profit of \$1884.85. 54 children raised 1197 rabbits at a net profit of \$938.35; 174 children canned 5276 quarts of fruit, 1760 quarts vegetables, 1092 quarts jellies and jams and 51 quarts of meals and soups at a total net profit of \$2815.80.

In cooking, 8 girls served 12 meals at a profit of \$16.24. Sewing showed 21 girls reporting a profit of \$15.83.

#### BOYS MAKE PROFIT

Two boys raised two pure bred calves at a profit of \$27.50; one boy raised 2 lambs at a net profit of \$2 and 8 children raised 7 does that produced 2485 quarts of milk, produced 42 kids and raised 5 additional kids at a net profit of \$733.75.

Kirkpatrick makes special mention of the Sunnyside school canning club that won the state championship by two points over its nearest competitors, and whose members will be allowed two weeks at the Oregon Agricultural college summer school next June and a trip to the Interstate fair at Spokane next September. In complete for the championship of the Northwest.

#### POULTRY RESULTS GOOD

As a result of an appeal for better stock, Kirkpatrick relates that while the highest prize in previous years taken by a Portland Poultry club member at the State fair took fifth place, this year the boys won first place on laying hens and first, second and third place on young breeding pens, the latter in a class of 32 entries, and that in the poultry department of the Pacific International Livestock show one of the boys took two firsts in open class against strong competition. Another boy exhibiting only in the club class showed birds so good that the owner of the second cockerel in the open class traded it for this boy's third cockerel in the club class.

### North Portland Is Included in Oregon Postal Examinations

A second class postmaster examination to fill vacancies at six Oregon towns will be held December 18, according to an announcement made by the civil service commission. The towns, together with the salaries paid, are as follows:

Hopner, \$2300; Klamath Falls, \$2900; La Grande, \$3000; North Portland, \$2700; Prineville, \$2300; Roseburg, \$2900. Terms of the present incumbents will expire January 24, 1922.

Candidates will be rated 80 per cent on business experience and fitness and 20 per cent on education and training. Information may be secured from the postoffice vacancy notices, either from the civil service commission, Washington, D. C. All applications must be properly executed and filed with the commission at Washington by December 13.

### Despondent Couple Provided With Home

Mr. and Mrs. R. T. Mitchell, who were found in their apartments at 358 Clay street in a serious condition from the effects of gas Tuesday evening, but later revived, were taken before Municipal Judge Rosman Wednesday afternoon on a charge of disorderly conduct, but were turned over to Mitchell's mother, Mrs. Ira Baird, 328 Thirteenth street, who promised to care for them. Mitchell is 23 and the girl 18. They attempted suicide on account of poverty and disease with which they are suffering.

### Auto Theft Officer Is Made Detective

William E. Drennen, late of the auto theft department, has been assigned to duty in the detective department of the Portland police force, to work with John Price, veteran inspector. Drennen has been on the police force for two and one half years, during which time he has made an exceptional record, according to his superiors. Before taking up his work with the police, Drennen served in the navy during the war, being engaged in transport duty on the Atlantic.

# The Christmas Store

THE CHRISTMAS SPIRIT pervades all sections of the store now, and you can't resist its influence, once you enter our doors. It seizes you as you stroll from department to department, floor to floor, and see the heavily laden shelves and counters of holiday goods of all sorts. A whole store full of them—for, remember that the giving of practical gifts brings into being the newer idea that "most everything in the store is suitable for gift-giving. Shop now and take ample time in wandering about the store, jotting down notes of the things you see and want, and then do your holiday purchasing in solid comfort and without haste.
