Nine Die in Sleet Storm Which Sends Barge to Bottom

Oswego, N. Y., Nov. 26.—(I. N. S.)—Nine persons—six men, a woman and two children—perished in a driving sleet storm which swept Lake Ontario Thanksgiving day and sent the barge City of New York to the bottom. It was revealed today when the freighter Isabella H. came to port with five bodies picked up from the missing barge. Two lifeboats were launched from the barge, but one was empty when found by the Isabella H. 10 miles south of Stony Point. In the other were bodies of four members of the crew and Mrs. Harry Randall, wife of the captain of the barge. There was no trace of the barge, which had set out early Thanksgiving morning for Trenton, Ontario.
