#### Better Roads Best effect was passed some time ago but enforcement has been held in abeyance Methods to Control until some place for the stages had been provided Fire, Says Forester

District Forester George Cecil and several of his assistants have returned tics, dropped dead on the street here from Mather Field, Sacramento, where today, presumably of heart disease. they have been attenuing the forest fire conference in progress for two weeks. Cecil reports a very successful conference with men from all the districts of the forest service, who had a great talkfest on the matter of standardizing forest fire prevention methods.

With the Portland delegation came will offer the principal entertainment fore they had time to collect much loot. Only a gold watch was stolen. Ward and his family returned early in the evening and frightened the burglars, who escaped by a rear door. Entrance was stocked as in the same district, who are spending the day in Portland. Stockdale said this morning that the following and frightened the glass in a kitchen door.

### Auto Stages Must Be Off Streets by December 15, Edict
