

Changes in telephone numbers or prefixes will be made to nearly 6000 tele-phones in the Portland exchange Janu-ary 8, when a new issue of the tele-phone directory comes into use, accord-ing to estimates made by officials of the Pacific Telephone & Telegraph com-pany. At least two thirds of the offices in fixes will be made to nearly 6000 tele-

At least two thirds of the offices in the exchange will be affected by this change in numbers, but the majority of to modify former opinion overruled in the subscribers involved in the change-over are located in the downtown busi-ness section or the close-in residential son, appellant : appeal from Multhomah and apartment house district on the west

side. The business area changes will result from the shifting of several thou-sand telephones from the Main and Mar-shall offices to the Broadway office. Included in the listing of new changes are 300 telephones in the North Portland industrial section which were recently shifted from the Woodlawn to Columbia office and given the ultimate prefix of

shifted from the woodiawn to Columbia office and given the ultimate prefix of that office—"Empire." In addition to these changes a num-ber of telephones will be shifted from automatic to manual offices consequent to preliminary work for abandonment of some of the old automatic offices. No-tices are seen to be sent out of some new automatic dial code changes. All changes are incident to the program of scree of Judge Gilbert W. Phelps modichanges are incident to the program of erree of Judge Gilbert W. Phelps modi-the company to install the "six-digit method" of telephone operation in the program of plaintiff for restitution of possession of plaintiff for restitution of possession of

directories until January 8 because of the thousands of new numbers which will become effective on that date.
