Drahos, a Missouri Pacific railroad livestock agent, is wounded in the left leg as the result of a shooting which took place this morning in the lobby of the Livestock Exchange building.

THE problem of arms limitation confronted the Paris conference at the very outset. In the second installment of his great narrative, "The Peace," to be published in The Sunday Journal next Sunday, Ray Stannard Baker will relate the initial discussions of this subject which is especially timely in view of the deliberations of the Washington conference, just concluding.
