

THE WONDER CLOTHES SHOP, Inc. Forced to Quit Business

After two hard years of business we are forced to throw up the sponge, so we will throw away our entire stock of High-Grade Clothing out to the public at the most sensational cut slash prices ever offered the people of this state. Not one garment will be reserved, for it is a case of selling this stock as quickly as possible, and we know that the prices we have put on this stock will make the entire vicinity sit up with astonishment.
