Important to Ford Buyers

When a responsible concern like the William L. Hughson company offers a staple article like used Fords at a below-market figure it should mean much to prospective buyers.

This is just what we are doing. Our inventory is too high. We find that unless we move a used Ford within 30 days we lose. We must lose one way or another, so we decided to give you the loss.

Sale includes TOURINGS, RUNABOUTS, SEDANS, COUPES, TRUCKS, 1914 to 1921 models. All have been depreciated in proportion to drop in new Fords and discounted again for this sale.

Any terms within reason.
