EXTRA QUICK SERVICE

An Extraordinary Purchase of 300 Suits for Men and Young Men—Regularly \$30, \$35, \$40, \$45 and \$50

For trade reasons—which make the clothes not one jot less desirable—we do not advertise the maker's name. It is a nationally known good brand—identified by the label but NOT associated with a price such as we quote for this sale. It is the lowest price in years for clothes of this quality.

Every Suit Brand New First Time Shown

We've had one big clothing sale already this year. Most stores would stop at that. But we've got something so extra good that we're going to let people know about it.

There are plenty of men's and young men's models. Plenty of hard-finished worsteds, unfinished worsteds, cassimeres, cheviots and tweeds—all ALL wool. All wonderful at \$25.

Sizes for Regulars, Shorts, Stouts

Opportunity—with a capital O—to get a new finely tailored all-wool suit at \$25.
