RECUMENTAL STATE OF THE PROPERTY OF THE PROPER

Just one little fact, if realized and used by most people, would save them considerable money on their coal bill. It is this-

For your furnace, range or heater there is a nut coal or combination of nut coals which will fit your requirements fully as well as lump -in some cases better than lump.

By purchasing nut coal, instead of lump from us, you save the price of one ton of coal every ten to twelve tons you buy.

Nut and lump from the same mine are exactly the same quality—the difference in size makes NO difference in quality. Nut costs less to handle—we pass the saving on to you.

To obtain the kind of nut coal best suited for your purpose, tell the coal expert who answers the phone just where and how you intend burning it - his recommendation will prove satisfactory and eco-
