"Just Somebody's
Baby"
—From a
Chest Home

Helpless Babyhood Depends Upon Your Generosity

More than 17,000 little souls look
to the Community Chest for aid

WILL YOU HELP? SURE YOU WILL!

When kiddies you know and love snuggle close
and make your heart strings tug—give thought to
the thousands of other tiny folks, just as trusting
and as helpless.

Hundreds will never know the real love of mother
or of father. They are nameless. Scores are blind,
and through life must grope their unseeing way.
Many are hopelessly diseased. Others are cripples,
handicapped from the very start by withered limbs
or crooked backs.

They do not ask your love. They cannot expect
you to extend to them the tender protection of your
home. Nor can they look forward to a happy child-
hood; the right of every normal tot.

Those are things you cannot give. But you can
give of your means. You CAN spare a little from
what you have to help shelter them, help feed and
heal them, and bring a larger measure of sunshine
into their little lives.

They are so helpless. They trust you. Give
generously! Don't fail babyhood!

Our sick, our aged, our maimed and deserted ones
must be cared for, as well. There is only one way
to do it, and that is by donations.

Do you recall that you were not solicited by a
multitude of charitable organizations last year? The
reason you were not solicited is because of the Com-
munity Chest.

It takes care of the needs of all organizations,
practically, economically, and is a thoroughly demon-
strated success.

Over 8000 men and women soon will seek your
subscription to the Community Chest. They are
giving their time without compensation and are also
subscribing to the Chest. When solicitors call, don't
put them off. Don't keep them waiting. Do your
part quickly and cheerfully.

sure
well help!
