Thomas F. Ryan of Oregon City, state senator, and who was for eight, years under the administration of Thomas B. Kay, is to be a candidate for the Republican nomination as state treasurer at the primary election of May 19. So he announces in a letter from his home at Oregon City. He is the first to make definite announcement of intention to make the race for this position, now held by O. P. Hoff, who is expected to be a candidate to succeed himself.

Senator Ryan has long cherished an ambition to be state treasurer, and was one of the candidates mentioned prominently in the political gossip of the 1910 campaign. Political story has it that at the time he and Tom Kay, both staunch friends rejuctant to campaign against each other for the nomination, flipped a coin to determine which would make the race, and Kay won the toss. Kay was elected, and on assuming office appointed Ryan as his chief deputy, which position he held until the end of Kay's eight years of service.

At the close of Kay's term, Senator Ryan became a candidate for the treas-ureship and was defeated by Hoff by uncomfortably narrow margin of 118 votes, this in a field of six candidates. He was elected to the state senate in 1920 to fill the unexpired term of Walter B. Dimmick, and served during the regular session of 1921 and the special session just closed.

Senator Ryan is well known throughout the state, and has been active in politics for many years. He has served as county judge for Clackamas county for a number of years. He will make his formal aunouncement within a short Great Northern to

> Be Careful What You Wash Your Hair With

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified cocoanut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get Mulsified at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful of Mulsified is all that is required. It makes an abundance of rich, creamy makes an abundance of rich, creamy lather, cleanses thoroughly and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulsified.
