

One of the 4000 Men Workers

# 8000 Volunteer Workers

*In the Field for*  
**Humanity's  
Sake**

From the backwoods cabins of our forefathers, to your home and my home today, Benevolence—the milk of Human Kindness—has sung down through the centuries its message of Comfort, Good Cheer and the Open Door of Neighborliness.

### *Consideration for Others Sings for All*

Just as it sang for Abraham Lincoln's soul, and the soul of every patriot who fought for a great principle—just as it has through the ages always sung for Brotherly Love and the beneficiaries thereof—so today it sings for all in Portland who rejoice in the possession and exercise of the Benevolent Spirit. Here in Portland Human Kindness is

### **Symbolized by the Community Chest**

The Chest symbolizes more. It symbolizes the city's Community Spirit of Co-Operation. It symbolizes the desire and inspiration of 8000 workers who contribute their time and energy in addition to their subscription to the Chest. It symbolizes the motive behind a campaign that demonstrates system, efficiency and the elimination of waste in assembling and distributing its contents.

### **Past Performance Gives Future Promise**

One year ago the Community Chest was an experiment in Portland. Today it is a known success. Everyone—patron and beneficiary alike—unite in glad acclaim for the Community Chest as the better way.

Last year many contributed their share hesitatingly. Today they stand eagerly ready to repeat and increase their share of one year ago.

### **Tomorrow Morning at 9 o'Clock**

8000 workers, many of them your neighbors, who have volunteered for service—to take the necessary time from their affairs—will go forth on this great errand for humanity—to call and ascertain your wishes concerning how and to what extent you will share in this Community Spirit of Co-Operation.

*All is in Readiness—Do Your Part Quickly and Cheerfully*

### **Where the Money Goes**

Throughout the coming twelve months the Community Chest will supply all the money needed to carry on the work of 45 agencies for humanity—just as it did so efficiently, so intelligently and so satisfactorily during the year just closed. That means you will not be solicited during the coming year for similar funds—all other such drives being prohibited.

**Jan. 30  
to  
Feb. 6**

### **A Sunday Pleasure**

Make up your budget today—Sunday—an ideal time for determining your appropriations for charity. And when these volunteer workers call, think of and be governed by the Golden Rule: "Do unto others as you would have others do unto you." Then listen to the song that goes out from your soul and finds an answering echo in those other souls to whom you have shown Human Kindness through Portland's ideal medium of THE COMMUNITY CHEST.
