tives were on his trail thicker than flies Parsley, the indictment charges, represented himself as the executor of the estate of one James Earl Parsley in Arizona. Entering a bank he would write a check against the estate, which he claimed had funds in the Crocker National bank of San Francisco, and de-

posit it in a savings account. By the time the check returned, dishonored. Parsley would have withdrawn most of

the deposit from the savings account. From the First National bank and from the Bank of California, the indictment states, Parsley got \$368 and \$300 respectively. Then he came north.
