Orom MONTREAL and QUEBEC to BUROPE Replacing the five vessels formerly in the Cunard Line's Canadian Service, all of which were destroyed during the war, five new, oil-burning steamers, among the finest which ply the St. Lawrence, will resume direct sailings between Montreal and Liverpool, London, Southampton, Plymouth and Cherbourg.

"ANTONIA," launched March 11, 1921, in 538 feet long, 65 feet beam, has a gross tonnage of 14,000. Accommodations for 300 Cabin and 1,200 third-class passengers. Dining Salson, Drawing Room, Smoking Room, Verandah Cafe, Children's Playroom. Speed 15 knots.
"ANDANIA" is a sister ship of "ANTONIA," launched November 1, 1921. "AUSONIA" is the same type as "ANDANIA" and "ANTONIA," launched March 22, 1921.
"ALBANIA" was launched April 17, 1920. Length 540 feet, beam 64 feet, 12,609 gross tons. Speed 14

knots. "ALBANIA" is a one-class ship, carrying 500 Cabin passengers only. This class of ship is an innovation in Transatlantic travel, providing the highest degree of comfort at moderate rates.
"TYRHENIA" was launched May 31, 1921. Length 550 feet, beam 70 feet, gross tonnage 16,500, speed 17 knots. Accommodates 255 Saloon, 335 second-class and 1,200 third-class passengers. The largest ship sailing from Montreal carrying Saloon, second and third-class passengers.

For further details of sailings of 621 2d Ave., Seattle Phone Elliott 1632 seasions," in the Pacific ocean. Article II says that "if the said rights are threatened by the aggressive action of any other power, the contracting parmunicate with one an to arrive at an understanding as to the most efficient measures to be taken, jointly or separately, to meet the exi-gencies of the particular situation."

ONLY AS TO MEANS Now it is the view of many senato that when "aggressive action" occurs the conference of powers does not by any means meet merely to decide whether they shall take any measures. They com-municate only "in order to arrive at an

means to be taken." On the words, "most efficient means, the whole thing turns. There's the rul

something to help those whose rights were threatened. That's the opinion of most senators. Could America agree to talk only while rights were being threatened? Many senators would like America to be free to use her good offices in such controversies without involving naval or military force and they are nwilling to have the treaty leave the impression that the United States is obligated to go much further. They want as the circumstances of the case and the dement of the American people may dictate. But they do not want foreign nake out a case saying the United States has made a "scrap of paper" out of a bill under which an ill or unemployed sacred treaty. They want the United
