

TAX ON GASOLINE \$1,846,408 DURING PAST TWO YEARS

Salem, March 6.—Picture in your mind a tank covering an ordinary city block and extending 150 feet into the air. Fill this enormous tank with gasoline and you will have some idea of the quantity the motorists of Oregon have consumed in the last two years, since the state began taxing a check upon gasoline sales through its tax on motor fuel oil sales.

Approximately 140,000,000 gallons of gasoline have been consumed by the Oregon motorists since February 25, 1919, according to Secretary of State Koster, who figures that it would require a tank 400 feet in diameter and 150 feet high to hold this enormous quantity of motor fuel.

If loaded into the ordinary tank truck of 600 gallon capacity, the trucks placed 25 feet apart would make a caravan 1110 miles in length, covering all of the principal highways of the state.

If transported by train in the 40-foot tank cars a total of 13,280 cars would be required, each with a capacity of 10,500 gallons, and the train would occupy 101 miles of track.

Gasoline sales of January totaled 2,885,296 gallons, a gain of 87 per cent over the sales of January, 1921.

A total of \$1,846,408 has been collected in state taxes on motor fuel oil sales in the two years for the benefit of the state highway fund.

TAKER'S TACOMA PULPIT Brownsville, Or., March 6.—W. Earl Cochran, formerly of Brownsville, has been called pastor of the Bethesda Baptist church in Tacoma. He received training at Albany college and the Bible Institute of Los Angeles and served as a missionary to the Skagit district in Alaska for several months.

DEPUTY VETERAN DIES Nampa, Idaho, March 6.—August Walbreath, 29, deputy sheriff in Payette county and former veteran, died of pneumonia Wednesday.
