**New Modified Educator
Shoes For Women**

—Endorsed by the Y. W. C. A. and all other women who have worn them. Nationally advertised. Educator Shoes straighten bent bones and allow the foot to function as nature intended. The shank is flexible, thus providing a shoe that develops the arch muscles—needs no "breaking in." The straight inside line and the roomy toe permits foot comfort desired by all women who walk or stand long hours. Made of the very best materials obtainable.
