

GENERAL WEAK UNDERSTOCKS SHOW REACTION TO WALL STREET STOCK QUOTATIONS

REACTION TO WALL STREET STOCK QUOTATIONS

Wall Street, New York, May 9.—The reaction was further in the stock market today and the decline was sharper than it was yesterday.

On Monday it could be said that the reaction was a result of the fact that the London conference was an influence helping the London market.

On the stock exchange the low prices were the result of the fact that the London conference was an influence helping the London market.

BUSINESS BRIEFS

The Atherton, Topinka & Santa Fe's revenue from the regular quarterly dividend of \$1.25 a share was \$27,077 the previous week and \$25,294 a year ago.
