

CRUSADER LAUDS METHODISTS FOR GOSPEL CAMPAIGN

Portland Methodism was credited today by Dr. George Wood Anderson, crusader, before his departure from the city, with bringing to a successful termination the greatest evangelistic project ever undertaken by one denomination.

The Portland crusade was the greatest undertaking for a single denomination that I have ever seen brought to such a successful termination," said Dr. Anderson. "I never saw one denomination put up such a large tabernacle before, and it is encouraging to me to see the way the meetings were supported daily, especially when it reached the large area of the city and the distances the people had to travel to reach the building."

Dr. Anderson said it was with great difficulty that he concluded the campaign Sunday and that he did not think he had the physical strength to carry through the Sunday night service when he went on the platform. The crusader said he is not able to make the trip East in one ride, so he plans to travel for a day and then rest a day. He left here this afternoon on the Shasta Limited for Sacramento, Cal., where he will spend a day. Then he will travel to Salt Lake City and rest a day, and then to Colorado Springs and rest three days, and then to his mother's home in Bell Center, Ohio, where he will remain until addressed. Dr. Anderson will later go to his home in New York city. Anyone desiring to write Dr. Anderson should address him at Bell Center.

Ku Klux Lecturer Talks While 'Riot Squad' Keeps Watch

Eighty-three policemen and 14 deputy sheriffs kept order Wednesday night at the Auditorium where the second lecture and mass meeting of Dr. R. H. Sawyer, international lecturer for the Knights of the Ku Klux Klan, was held without sign of the trouble which had been threatened earlier in the lecture. Several thousand persons unable to get seats in the building surged about outside and up and down Third street during the early part of the lecture. Attempts to address the crowd outside of the Auditorium by several officers were quickly squelched by the police, who were instructed to stop any argument in its incipientcy.

While Miss D. Bradley, clerk in Nick's Flower Home, 221 Union avenue north, was eating her lunch in the rear of the store Wednesday at noon, the front room of the establishment was entered and its till taken from the cash drawer.

Woman Autoist Hurt In Crash on Bridge

Two auto touring cars and a truck figured in a collision on Broadway bridge Wednesday night in which Mrs. G. Huffaker, No. 2221 West Almsworth street, was injured. She was cut about the face and head. Mrs. Huffaker was driving west near the turn at the west end of the bridge when her car struck an automobile driven by Mrs. O. C. Smith, No. 123 East 19th street north, and veering, ran headon into a Bibb Transfer company truck, driven by E. A. Waldron, No. 199 East Almsworth street. Mrs. Huffaker's car was badly damaged.
