COVEY MOTOR CAR COMPANY BARGAIN BASEMENT
What are you going to do for your recreation trips? Are you going to take the trains or street cars, and go with hundreds of others?
Do you realize what really cheap transportation we can offer you? Do you ever stop to count how many times every month you "hand out eight cents?" How much money do you spend for other things, which wouldn't be spent if you had a car? Just count this up and see if it wouldn't more than pay the upkeep on a car, and give you the means of enjoyment such as you have been unable to experience heretofore.
For Your Comparison.
