Lovers of Art to Have Treat Warner Collection on Exhibit

UNIVERSITY OF OREGON, Eugene, May 20.—The formal opening and dedication of the Murray-Warner collection of Oriental art to the University of Oregon art museum will take place on Monday, May 29, in the woman's building and will bring to Eugene a number of Portland visitors. Fifteen hundred invitations for the opening of the exhibit have been sent to art lovers throughout the state.

Dr. P. L. Campbell, president of the university, will preside during the program which has been arranged for the formal presentation. Music for the program will be furnished by the university orchestra and the two glee clubs. Judge Charles H. Carey of Portland will speak, and Mrs. George T. Gerlinger, regent of the university, will make the formal acceptance. Mrs. Murray Warner and a few friends will receive the guests.

A wood sealed room, back of the rear gallery on the third floor of the woman's building, has been equipped as a museum, the entire wall space of the room, from floor to ceiling, being covered with glass cases. These cases will be filled with rich Oriental costumes, fine lacquer ware, tapestries and Oriental armor. One large glass case has been placed on the stairway to provide for an unusually large tapestry. On the walls of the women's league rooms will be hung the framed Japanese prints which are included in the collection.

The exhibit will be open to the public from 9 in the morning until 9 in the evening on May 29, and it is planned to keep it open from 2 to 4 in the afternoon on each day thereafter.

In connection with the dedication of the collection, the school of architecture and allied arts will hold its annual Jury day, at which time exhibitions of students' work will be on public view in the art studios. At the same time the faculty of the art department will exhibit its work in the woman's building.

The Kennedy Parent-Teacher association met Tuesday and elected the following officers: Mrs. A. H. Robertson, president; Mrs. D. L. Green, vice president; Mrs. Eli Simonson, secretary, and Miss Margaret Randle, treasurer. Speakers for the day were Mrs. W. H. Bathgate, the retiring P.-T. council president; Mrs. R. M. Pogue from Vernon circle, who spoke on the national Parent-Teacher association convention in Tacoma, and Miss Dagermark, from the park bureau, talked on playgrounds and the great value of supervised recreation for both young and old.

The Holy Name and Rosarian societies will entertain their friends at an informal dancing party at Christian Brothers hall, Grand avenue and Clackamas street, Wednesday evening. Cards will be played on the first floor. The committee in charge is Thomas Sisk, Leo De La Fontaine, Henry Gagnon, Alfred Albers, Florence Helldorn, Helen Sisk, Marie Stryker and Beatrice White.
