

HALL REFUSES TO CONCEDE DEFEAT

Charles Hall will not yet concede that he was defeated in the recent primary for the Republican nomination for governor, although the vote, with the exception of that of Jackson county, has been canvassed by Secretary of State Koser and, according to report, gives Governor Cicott a lead of 52 votes over Hall. That the latter is contemplating asking for a recount is indicated by a statement given out by him Wednesday evening for publication. In his statement Hall said: "After primary day the unofficial newspaper returns on the Republican nomination for governor were conflicting. Since then, many well authenticated reports of gross irregularities, errors, miscounts, etc., throughout the state, have accumulated—to such an extent that my friends believe and claim that the legal ballots actually cast in the ballot boxes have made me the Republican nominee for governor. "In the meantime, until the official count and reports are announced, I shall continue to investigate the facts reported, and thereafter determine my course in the light of such facts. "I shall be glad to confer with my friends at headquarters, which are maintained at room 387, Multnomah hotel."

Building Caves In, Two Workmen Hurt

Dayton, Wash., June 8.—Two men were badly hurt Wednesday when caught beneath the wreckage of falling timbers and concrete blocks, as the Rodrick building, under construction, caved in. Trusses for the roof had

been raised and were blown against the east wall by the wind before they were properly braced, breaking down one side and filling the building with debris. John Denley suffered a sprained back and was made unconscious, and I. J. McQuary suffered deep cuts about the head.

Policeman Charged With Intoxication Dismissed, Fined

H. B. Burns, a special policeman, was fined \$50 by Municipal Judge Ekwall Wednesday on a drunkenness charge, following his dismissal from the force Tuesday by Captain Fred West. Burns' offense consisted in his becoming intoxicated and attempting to assault Mrs. Mina Friskorn at his own room, at No. 828 Everett street, calling the patrol wagon after a fight. Mrs. Friskorn, also charged with intoxication, was discharged.

Bend Visited by Electrical Storm

Bend, Or., June 8.—Basements were flooded and many phone lines put out of commission as the result of a heavy rain and electrical storm at noon on Wednesday. Three-tenths of an inch of rain fell in 30 minutes. Later in the afternoon a fiery electrical ball grounded on the wet pavement, sizzled for an instant, and vanished in an explosion heard for blocks.

TAKE SUSPECT ON ROBBERY CHARGE

Girl Abandoned by Driver Is Found Ill From Liquor

Ernest Miller was arrested by detectives on a dairy farm near Columbia Wednesday and turned over to federal authorities on a warrant from Denver, Col., charging him with robbing a train there, November 18, 1920. Dave Shipley, known "pal" of Miller's, was arrested by detectives also. Detectives were unable to substantiate an underworld tip that the two men were planning a train holdup here, and Shipley was discharged Wednesday evening, after undergoing a quizzing for several hours. Miller was tried for the 1920 robbery by the state courts of Colorado and found guilty. The court imposed a sentence of 25 years. His attorney, however, appealed the case to the supreme court and won a reversal. Miller was turned loose.

Girl Abandoned by Driver Is Found Ill From Liquor

Roseburg, June 8.—Alma Hayes, 23 years old and pretty, was deserted in this city while in a drunken condition early yesterday, and was arrested a few moments later. She had become ill from the liquor, she was drinking and went into a local hotel, her companion—they were traveling by automobile—leaving her while she was in the hotel. According to the story she told the officers she had been residing in Meridian with her parents, and was in Grants Pass Tuesday preparing to go to Portland. A strange man offered her a ride to Portland, and she accepted on the date of a girl friend. The man had liquor that he told the girl was wine, but she stated that it made her ill and hysterical. She was kept here overnight and left for Portland Wednesday morning. A description of the car has been telegraphed ahead, as the officers are of the opinion that the man was carrying a carload of booze.

Buswell, department manager of the Buswell Lumber company, be confined in the county jail until he should obey the court's order granting his divorced wife \$175 a month alimony. Mrs. Helen Singfelder Buswell informed the court that she had received only \$150 since March, when the decree was entered, although the judge had fixed a stated monthly amount to be paid her.
