The Pacific Telephone And Telegraph Company

When away from home remember the long distance telephone. Do you realize the little effort required to assure those near and dear to you of your safety and comfort? The telephone in public pay station or hotel room—in fact, any telephone, anywhere—means that separation is measured by minutes, not miles. Send the message of cheer and affection. You will be giving pleasure to others, which will be reflected in your own satisfaction. Long distance telephone service is prompt, efficient and inexpensive. Every Bell telephone is a Long Distance station.
