200 New All-Wool Suits for Men

\$25

A TWENTY-FIVE dollar suit presentation—always an event at this store—is particularly so this time because the assortment runs so strongly to the good conservative types that so many men want. It is in clothes of this staple character that tailoring counts—and we ask you particularly to note the way in which these clothes are made.

—Meier & Frank's: Third Floor. (Mail Orders Filled.)

BLUE serges and smooth finished worsteds stand out in this showing. Majority are in the medium weights the season calls for. The designing is excellent—these suits will fit and keep their shape far beyond the time limit of the ordinary low-priced garments. Plenty of good patterns in light and dark shades. All sizes 36 to 46 are included.
