

SLAIN MAN NOT GEORGE DARLING

The theory that the man found murdered in the Columbia river near The Dalles Friday night, might, have been George Darling, 37, Grand Rapids, Mich., who exploded Wednesday night by a telegram received by The Journal from Darling's sister, Mrs. Ella Johnson, also of Grand Rapids, which stated he was alive and in good health.

The message read as follows: "George Darling is now in Grand Rapids; returning from Denver in perfectly good health. He is postponing his trip to Portland."

The belief that the murdered man might have been Darling originated with Mrs. Marie Sharp, a sister of and Simpson streets, who believed that her brother was on his way to Portland from Grand Rapids, traveling by automobile. She had not heard from him since he left Grand Rapids and consequently feared that the unidentified man might have been he. Had Darling continued toward Portland from Denver, he probably would have arrived at The Dalles about the time the body was found.

The murdered man is said to have borne a close resemblance to Darling.

COMMISSION WILL INSPECT HIGHWAYS

A tour of the highways of the state will be begun today by the state highway commission for the purpose of inspecting the work of construction and deciding on contemplated improvements on the ground in conference with county authorities. The trip will be in the nature of a continuous and perambulating session of the commission. Governor O'Connell will accompany the commission a part if not all the way.

The first objective point is the meeting of the Roosevelt Highway association at Crescent City, Cal., with a California highway association for the purpose of promoting the construction of the highway along the coast.

The meeting is to be held July 10. From Crescent City the highway commission will return to the Pacific highway over the Crescent City-Grants Pass road.

Roseburg will be the end of the first day's travel and Marshfield will be reached Friday. From Marshfield south through Curry county the commission will be accompanied by officers of the Roosevelt Highway association and a delegation of Coos county citizens.

Two other Reedsport residents were arrested several days ago, having been found with a 2-gallon keg of moonshine.

Woman to Fight Psychologist on Public Platform

More fur flew Wednesday in the controversy between Mrs. Patricia Reid and Dr. Orlando Edgar Miller. Mrs. Reid told The Journal that she intends to tear the veil from Dr. Miller's applied psychology methods at a series of meetings she will hold in the Peoples theatre Friday, Saturday and Sunday evenings at 8 o'clock, and Sunday afternoon at 3 o'clock.

The lectures, according to Mrs. Reid, will be an expose of "The Workings and Teachings of Applied Psychology in the hands of Masters."

Dr. Miller, it will be remembered, came here from Seattle, and was refused the use of The Auditorium by Mayor Baker for his lectures on applied psychology. Mrs. Reid, formerly associated with him, followed him from Seattle and the two have been in a hot fight ever since.

Mrs. Reid said she would give opportunity to Miller to reply to her charges in her lectures.

A deportation party of five aliens left Portland Wednesday night for New York via San Francisco for return to their native country. Jacob Daeter, insane, will return to Switzerland. The Bulut family complete the party. Steve Bulut, insane, who recently tried to commit suicide, his brother Nedjelco, and his mother, Anita. Nedjelco smuggled into the country from Philadelphia without a passport, when numerous car drivers and
