Schneider puts the grease on the state on the list that sent the Beavers on the list. I ITTLE JAKEY MAY and Big Pete skids that sent the Beavers down to a 6 to 3 defeat in the opening game of the Vernon series Tuesday afternoon For four and two-thirds innings, George Walberg huried faultless ball, allowing but one bingle and but two Bengals to reach the middle base. In the fifth inning, however, with two down Walberg passed "Truck" Hannah, which brought Jakey up to the

May was one run behind at the time and it looked like he would have to go out and earn his own victory which he did by clouting the ball over the left center field fence. It was a hard clout and probably hit the school house on the bound. May's hit resulted in two runs.

SECOND HOMER COMES

A moment later, Pete Schneider crashed out over the fence at nearly the same point, scoring Chet Chad-bourne ahead of him, Chad having reached first base when Walberg and Poole got crossed up on a slow roller and the big rocks. down the first base line.

Walberg was forced to retire from the game in the sixth when he was hit on the finger by a thrown ball. Ralph Coleman finished the game, Two runs were scored off Coleman, Hughle High's walk and Locker's triple being responsible for the tally in the eighth and French's hit to McCann, a balk, Hannah's sacrifice and a perfect squeeze bunt by May resulted in the ninth inning run.

May pitched a great game of ball, most of the hits made off his delivery being of the scratchy variety, although Rowdy Elliott smashed out three clean bingles.

McCANN ONLY SCORER

McCann scored both Portland runs He reached first on a slow roller to French in the second and advanced on Sargent's out and scored on Elliott's double down the third base line. In the ninth, McCann beat another infield tap, took second on Elliott's single and third on Chadbourne's erfor and scored on a wild pitch,

May had the head end of Portland's batting order pretty well covered up. He struck out six batsmen and did not allow a single base on balls. His underhand, side arm and overhead curves had Portland helpless in the pinches. The Beavers pulled off some nifty fielding stunts, Joe Sargent pulled off a couple of neat fielding stunts, while Ike Wolfer nipped Locker on third on an attempted squeeze play after pulling down a pop fly from Zeider's
