NEW YORK BOND TRANSACTIONS

Wall Street, New York, Aug. 9.—The bond market continued in today's bond market than on recent days. The tendency of prices was much mixed and trading for the most part was confined to the market for French bonds...

No explanation appeared for the weakness in Rio de Janeiro issues, the 8 1/2 of 1934 lost a point and the 8 1/2 of 1946 lost over a half point. The decline in these and several foreign government loans was offset by the strength in others...

New highs were reached in the Pennsylvania bond, as which at 100% were over a point higher and also the 4 1/2 Erie 4 1/2 series, as a point and Rio Grande Western as at 89 were up more than a point.

On the other hand, Atchison gen. 4s, which were dealt in the previous day, were down a point and the 4 1/2 Seaboard Airline issues, which had been the leaders in the market, felt the effect of profit taking...

WALL STREET STOCK QUOTATIONS

Wall Street Journal Financial Review
New York, Aug. 9.—(U. P.)—Railroad stocks led the market in a further demonstration of indifference regarding labor troubles. Standard stocks were maintained most of the session in westerns continue their forward movement into new grounds for the present...

In the face of the persistent failure of the strike situation to show improvement, the strength of the carrier group plainly reflected Wall Street's belief that the dispute with the shop craft has done nothing to alter the outlook for higher prices for rail stocks this fall.

Industrial stocks ran into heavy profit taking during the last hour, but not before important advances had occurred in many sections of the list.

TRADE IS NORMAL IN PHILADELPHIA

Philadelphia, Aug. 9.—Superficial observation in Philadelphia would give the impression of a boom or railroad strike, as apparently everything is moving normally. All public utilities are functioning, the water supply is not curtailed, factories are operating and roads are moved promptly.

Manufacturers of glass look for an improvement in foreign demand accompanying the volume use either petroleum or electricity as motive power if the strike continues. Philadelphia is situated at a strategic point in the construction of several large apartment houses tends to rob Philadelphia of her firms as a city of homes.
