(Continued From Page One)

to break the fierceness of the sun. No breeze was stirring. The Pullman cars offered the only refuge and they, according to the railroad's custom in crossing the desert, had every window and door closed, as protection against hot blasts from the vaste lands and flying dust. RELIEF PLANNED

Railroad officials were reported considering plans to bring the passengers fore the strike started. The Southern back to Los Angeles, or otherwise give Pacific and O-W. R. & N. issued notice them relief, in case it proved impossible to continue train movements.

Information was flashed to railroad were being sent largely to points on executives that crews on the Southern the railroad lines outside the city. Pacific, Western Pacific and other lines were considering similar action and it became apparent immediately 1NTO YARDS OF S that Los Angeles was likely to be entirely cut off from rail communication within 24 hours.

WON'T MOVE TRAINS

The brotherhoods' refusal to move trains because of the presence of day hurled 23 deadly missiles into the armed guards in the yards and on the Santa Fe yards, terrorizing the district advised as to the number of men out, cars may be backed up, it was report-ed, by the transportation men in other districts, who claim that equipment of Marshal Alverson being severely trains is in poor condition as the result of the shopmen's strike. Brotherhood members declared that

being taken in an automobile to a no more Santa Fe trains will move through Barstow until further orders are received from the union. pany, a complete survey revealing this I. L.
