

CROWD DRAWN TO FAIR IN SPITE OF HEAVY DOWNPOUR

Southwest Washington Fair Grounds, Aug. 31.—Today is Governor's day at the Southwest Washington fair, midway between Chehalis and Centralia, as well as Elks, Kiwanis, Rotary, Olympia and Thurston county day. Despite the rain of the past 24 hours large crowds are present.

Governor Hart and state officials, fair officials, county commissioners, Centralia Rotarians and Kiwanians are to be guests of the Chehalis Rotary and Kiwanis clubs at a noon luncheon at the St. Helens hotel in Chehalis, after which the party will proceed to the grounds of the fair.

Hart and P. B. Hubbard of Centralia, president of the fair, association, are to speak at the fair.

Judging was virtually completed in all departments Wednesday. Grand champions in the dairy cattle divisions were: Holstein bull, Matador Segia Walker VI, owned by the Carnation farm at Tolt; cow, Inka Grace of Wayne, owned by Tom Misbit of Chehalis; Jersey bull, Firwood Noble, owned by N. C. Sorenson of Chehalis; cow, Sultan's Violet Rose, owned by Erickson Brothers of Yakima; Guernsey bull, Glenwood Sequel Lead of Willowood, owned by W. Reith of Astoria; Or. Ayrshire bull, Queen Scottish Cavalier, owned by E. W. Van Tassel of Wenatchee; cow, White Mural of South Farm, owned by Van Tassel.

The state herd, 13 head of the 120 at the Western Washington hospital, took first on 2-year-old bull, first on yearling bull, first on junior yearling heifer, first on young herd, first on calf herd, first on champion junior bull, first on champion junior cow and other prizes.

In the education department the Doty schools won the majority of honors.

Among Portland visitors yesterday was O. M. Plummer of the Pacific International Livestock exposition.

Lents Sewer Work Begins in Few Days; Will Cost \$693,110

Actual construction work on the Lents trunk sewer will be started within a few days, and will be prosecuted continuously throughout the winter unless most unusual weather conditions prevail. The contract was formally awarded to J. P. Shea by the city council in an adjourned session Wednesday afternoon.

The contract is made on a progress payment basis. The price of the work under the Shea bid is \$693,110, which is \$275,90 under the estimate of the city engineer. Beside the regular bond required, Shea has agreed to give an additional bond in the sum of \$15,000 to insure the city against loss on the progress payments.

Awarding of this contract at this time is considered of much importance to labor conditions throughout the city, it provides means for the employment of large forces during the remainder of the fall and probably much of the winter. Eighteen months are allowed for completion of the work, but it is expected it will be done in much less than this allotted time.

Five Orientals, One Canadian, Deported To Native Country

Five Orientals and one Canadian left Wednesday for their native lands in custody of immigration officials, who will see them to the various ports of entry.

Z. Nekaku and Y. Hirado, who have just completed nine months' terms in the Multnomah county jail for smuggling in narcotics, were deported to Maru last November, are somewhat bound. The Japanese consul is cooperating with the immigration service by reporting the matters to the Japanese authorities who may deal with them when they arrive. This is the first step being taken by Japan to aid in the suppression of narcotic traffic.

S. Murada, who deserted from the Yoshida Maru last May, was also in the party.

These were all bound for Tacoma. By way of Seattle went Kong Lai, Chinese, who smuggled in at Seattle two years ago on one of the Blue Funnel boats.

To Canada goes John Robert Campbell who has just ended a sentence for burglary in the Oregon state penitentiary.

Deficit in Fund Is Laid to Bad Administration

Faulty administration is given as the cause of the deficit in the indigent soldier fund, according to a letter to the county commissioners from F. W. Mulkey, chairman of the tax conservation and supervision commission. The commissioners requested the advice of the tax supervisor board because of a \$566.96 deficit, with outstanding warrants still coming in. County Auditor Martin reported payments would continue to the needy soldiers, since the law makes it compulsory for them to be cared for.

Mulkey recommended the adoption of a unit budget system by all post commanders, who have complete charge of the disbursements from the fund. He pointed out that each commander sends in his warrants without knowing the total demands made on the funds from all other camps.

Cleveland Mayor's Recall Demanded

Cleveland, Ohio, Aug. 31.—(U. P.)—Recall of Mayor Frederick Kohler was demanded here today in petitions containing approximately 25,000 names. The filing of the petition is the climax of the mayor's fight with the Cleveland Federation of Labor over the "open shop" policy inaugurated in city departments.
