#### Value of Library In Its Relation to Education Is Told

Olympia, Wash., Aug. 31.-Tracing the history of educational and book measures passed in Washington since 1854, and their effect on the school system, Mrs. Josephine Corliss Preston, state superintendent of public instruction, told librarians gathered here to attend the third annual session of the Pacific Northwest Library association of the great value of libraries in edu-cational work and traced the correlative relation of the two in all educa-tional institutions. More than 75 libra-Terminal, Park and Yamhill streets, sembled here for a three day meeting. Miss Cornelia Marvin, librarian for the state of Oregon, declared that the Oregon libraries were hindered and cially true, she said, in the smaller county libraries where the population and circulation percentages were far utes away by "red electric cars" is this ahead of the per capita allotment.
