This district is comprised of small farms, devoted to intensive cultivation of apples, pears, cherries, prunes, berries, potatoes, alfalfa, clover and grains. Dairying is an important industry. It lies about six miles from Coeur d'Alene (pop. 10,000), 35 miles from Spokane (pop. 120,000) and is accessible to shipping points on four railroads, assuring an unusual market availability for its products.
