BEDTIME STORIES The Little Foxes Find a Queer Fellow By Thornton W. Burgess

T WAS so very different along the Laughing Brook from the Old Pasture and the Green Meadows that the four young Foxes visiting it for the first time found so much to see that they couldn't keep still. The running water of the Laughing Brook was a continual wonder to them. They were a little afraid of it, yet they couldn't forget that both Reddy Fox and Mrs. Reddy had told them that at times i

might prove to be their best friend. They ran about this way and that way, looking at everything and sniffing at everything that was new to them. Once Croaker the Green Frog was discovered by one of the young Foxes. He called the others.
