CHICK EVANS DEFEATED IN

Angels Grab Both Games From Locals

By George Berts

"RED" KILLEFER'S Angels waded through the Beavers' first double victory Saturday afternoon, copping their first contest by a count of 4 to 2 and being wild-thrown into a 6 to 1 win in the second affair.

The Beavers' infield combination played like a bunch of sand-lotters in the second game, seven errors being made and all but one were wild throws.

George Lyons, who opposed Ralph Coleman on the mound in the first game, pitched his seventh straight victory. In the seven games, he has allowed but four earned runs, which we might say is some pitching. "Long" Tom Hughes pitched unbeatle ball in the second game, seven errors being made and all but one were wild throws.

George Lyons, who opposed Ralph Coleman on the mound in the first game, pitched his seventh straight victory. In the seven games, he has allowed but four earned runs, which we might say is some pitching. "Long" Tom Hughes pitched unbeatle ball in the second game, seven errors being made and all but one were wild throws.

RUNS NOT EARNED

George Walberg, whose sale to the New York Giants was announced Saturday, hurled five innings for the Beavers and had five runs scored off his delivery but not a single one of them was earned. Middleton relieved Walberg in the sixth and one lone earned run of the game was scored off the Beaver boss.

Coleman, save for one inning, pitched nice baseball but his mates could not smash Lyons effectively in the pinches, although they had a number of chances to score.

Lyons started the attack against Coleman with a hit through short, he was forced at second by Spencer. Carroll grounded out and trouble followed. Deal singled to scoring Spencer and Griggs "candied" a double, scoring Deal. Twombly's single put Griggs on third and he scored on a wild pitch. Not to be outdone by Lyons, Coleman started the rally that resulted in Portland's two runs by singling to right field with two down. Walberg doubled to left center and scored with Coleman on McCann's drive through short.

Lyons' single, Spencer's sacrifice and Brail's error gave the Angels a run in the seventh.

A WILD GAME

In the second game, errors by McCann and Walberg gave the Angels two runs. Three hits and three errors in the fifth enabled the Angels to score three runs and Coleman's double, Deal's sacrifice and Griggs' squeeze bunt gave the Angels a rally in the ninth.

Portland's lone run was scored in the third. Walberg was safe on Hughes' error in dropping a throw to first. Brail was hit by a pitched ball and Hale was safe on Walberg's error, killing the sacks. Poole smashed a line drive back to Hughes and Walberg scored. It was a lucky stop for Hughes as the ball was tickled for a drive to center that would have scored two runs. High skilled to McCabe, who was as busy as a queen bee in center field, getting seven putouts.

GOOD CATCHES MADE

Greasett opened the fourth with a double, but died on third, and Poole doubled in the ninth but stayed on second with his mates popped out.

Charlie High, Burns, responsible catches, making a one-handed stab of a drive from McCabe's bat in the second inning, and in the eighth he chased the fence for a high on from Lindmore's hickory. Greasett made a one-handed catch from Griggs' bat in the seventh.

Manager Killefer of Los Angeles was "K'd" out of the game by umpire Byron in the second game for disputing a decision on a foul ball.

A double-header will be staged this afternoon, the first game starting at 1:30 o'clock.

NEW FIELD BOSS OF PORTLAND BEAVERS AND QUINTET OF BALL PLAYERS

Clubmen Turn Out This A. M.

CANDIDATES for the 1922 Multnomah Amateur Athletic club football team will assemble at the club this morning to work out under the direction of Ted Faulk, new coach and manager of the Winged "M" squad.

The last week has been a very busy one for Coach Faulk for he has spent most of his time getting in touch with the players and requesting them to be on hand promptly at 10:30 o'clock for the opening outdoor workout. After he had looked over the list of stars he had interviewed, Faulk anticipated a crowd of at least 30 athletes to put in an appearance.

Some of the best known former college moulies artists have signified their intentions of wearing the cardinal and white colors of the club this fall and indications are that the strong aggregation of 1921 not only will be duplicated but will be bettered. More than a dozen new faces will turn out for positions.

The first game is set for October 7 when the Astoria Football club will send its delegation to Portland and on the following Saturday the University of Oregon will meet Multnomah in the annual battle at Eugene. Last year Oregon administered a starting setback to the clubmen and it is the firm intention of the Portlanders to wipe out that defeat.

A return clash between Multnomah and University of Spokane eleven will be seen on Multnomah field, October 21, but on October 28 the clubmen will be idle because of the fact the University of Oregon and the University of Idaho will meet in an intercollegiate game on Multnomah field. The Oregon Aggies are scheduled for a game with Multnomah on the Winged "M" stadium on November 4 while on November 11 (Armistice day) the Portlanders are figuring on taking a jaunt to Pasadena, Cal., to play the Olympic club of San Francisco.

A return clash between Multnomah and Olympic club will be the main event here Thanksgiving day afternoon (November 30).

November 13 is an open date but Coach Manager Faulk, in hopes of bringing the College of Puget Sound of Tacoma, Wash., here. Washington State college and O. A. C. are due to engage in combat on Saturday, November 25, on Multnomah field and this means that the club athletes will want to remain idle.

When Dr. E. J. Stewart, former Oregon Agricultural college athletic director, was a visitor here this summer he expressed a desire to bring his Clemson college of South Carolina to the Pacific coast for a series of games. He has lined up a match with Occidental college at Los Angeles late in December and Manager Faulk has written to him that Multnomah field is available for a Clemson-Multnomah set on December 8. Terms have been wired and an answer is expected from the south any day.

Among the new players scheduled to turn out this morning are Frank Busch, Whitman college; Mike Moran, Washington State; Chick Rose, O. A. C.; Brick Leslie, Oregon; Floyd Shields, Oregon, and W. R. Finney, Ariz.

Jimmy Middleton, fourth manager of the Portland club this season, is getting away nicely in his start before the local fans. Middleton's efforts are being aided by the addition of Sullivan and Yarrison and the return of "Suds" Sutherland. Reading from the left, are: Above—Pitcher Yarrison, Manager Middleton, Pitcher Sullivan and Pitcher Coleman, who is hurling high class ball. Below—Clyde Beck, young Angel infielder, and Vernon Spencer, new addition to Angel outfield.

Frohman, Steffen Are Defeated in City Tennis Meet

SEVERAL matches of the annual city tennis championship tournament scheduled for Saturday afternoon were postponed by request and the players were given permission to stage their contests today by appointment.

Mitt Frohman, after eliminating his brother, "Hans," met H. S. Gray Saturday in the men's singles and Mitt was forced to one side, 6-0, 6-1. Rogers MacVeagh took two straight sets from Ted Steffen, although at times the Reed college wonder flashed brilliantly and forced MacVeagh to extend himself to the extreme.

After being defeated by MacVeagh, Steffen paired with Miss Helen Hald and together they defeated Mona McLean and Johnny Faust in two love sets in the mixed doubles.

Following are the results of Saturday's play:

Men's singles—H. S. Gray defeated M. C. Frohman, 6-0, 6-1; Rogers MacVeagh defeated Ted Steffen, 6-2, 6-3; Cathi Wolfard defeated Ferd Smith, 9-7, 6-0.

Women's singles—Miss Helen Hald defeated Miss Ann Towey, 6-2, 6-2.

Semi-Pro. Mound Star Hurls Two No-Hit Contests

ERIE, Pa., Sept. 9.—Harvey Weinhelmer, who has been turned down as a pitcher by several of the local city league teams this season, has established a pitching record which bids fair to stand forever. Recently Weinhelmer went to Ripley, N. Y., to work on the mound against the famous Canadian, set the record by clipping tenth of a second from the three mile walk record, covering the distance in 21:55 1-10; George Golding, the famous Canadian, set the previous mark in 1917. Flint Hanner of the Los Angeles A. C. reached a new distance in the javelin throw, casting it 138 feet 2 1/2 inches, whereas the old mark was 122 feet 10 1/2 inches. The running high jump record was jointly surpassed by D. V. Alberts of the Chicago A. A. and Harold Osborne of the Illinois A. C. Both cleared 6 feet 5 1/2 inches, but neither could outdo the other.

Bob McAllister, New York "Flying" winner of the century dash junior title Friday, repeated the surprise of the throw in the senior event today. He covered the 100 yards in 10 seconds flat. Al Leoney, the Meadowbrook flyer, and favorite, was second, a foot in the rear at the tape. Ed Farrell of the New York A. C. was third, a few inches behind Leoney.

NEGRO IS REPEATER

Dehart Hubbard, the lusty Cincinnati negro, winner of the Junior running broad jump on Friday, repeated in the senior event today with a leap of 24 feet 5 1/2 inches. He outdid H. E. Butler of New York, holder of the

Argentine Riders Win Polo Title by Great Team Work

BRUNSON, N. J., Sept. 9.—(U. P.)—The Argentine invaders won the open polo championship of America at the Brunson Country club today, scoring a victory over the crack Meadowbrook four.

The famed Long Islanders, favorites for the American title, were smothered under a 14 to 7 score.

At the conclusion of the match the Argentines were presented with the great bowl, emblematic of the American championship and silver cups for each member of the team.

The Argentines won because of the almost perfect teamwork.

Joie Ray Is Big Star in Field Meet

(By Universal Service)

NEWARK, N. J., Sept. 9.—Joie Ray, long the star distance of the Illinois A. C., wrote his name large in the A. C. championship competition today here, at Wequauch park, by winning the mile honors for the seventh time, for with six victories for the event. As he sped over the finishing mark he looked back over his shoulder and saw Jimmy Connolly of the Boston A. A. second, 19 yards behind; then much to one laughed at those who had been saying he was going back and run into the ground the man who was the cause of much talk. This runner, quarter, running a smooth, not to be denied race, and was never headed again. Connolly came like a locomotive under full steam in the last 300 yards from the rear position, and passed all competitors but the yearling.

The honors of team championships for senior honors, like in the junior title honors yesterday, went to the New York A. C. Its galaxy of athletes piled up 43 points. The Illinois A. C. was second with 38. Other clubs were far outdone. The Boston A. A. scored 17 points to be third and the Chicago A. A. 18 points for the fourth berth.

These records were erased during the spirited competition:

William Plant, wonder walker of the Merrimack side, C. C. New York, clipped tenth of a second from the three mile walk record, covering the distance in 21:55 1-10; George Golding, the famous Canadian, set the previous mark in 1917. Sweitzer Is Winner Over Chicagoan

(By Universal Service)

BROOKLINE, Mass., Sept. 9.—Determined youth pitted against a veteran master triumphed today when Jesse Sweitzer of New York defeated Charles (Chick) Evans Jr. 3 and 2 in the 35 holes final over the Brookline Country club and by that token became amateur golf champion of the U. S.

The new champion had played brilliant golf in every one of his matches of tournament. On Tuesday he defeated H. E. Kenworthy 10 and 9 and his victories over Hunter, 11 and 8, Jess Guilford, 4 and 3, Eobly Jones 8 and 7, and Chick Evans on successive days followed in amazing array.

TAKES LEAD AT STAFF

Sweitzer who started his smashing course towards the American championship with the winning of the Metropolitan Championship at Lakewood, N. J. in June took the lead of today's match at the first hole in the morning, and retained it until the end. Evans in the afternoon started to improve in finding the range of the hole, but his opponent came back with something still better. Sweitzer displayed a calm, calculated manner, never letting down during the matinee, as was typical throughout the tournament. Evans, N. Entry blanks are posted in the Multnomah Amateur Athletic club and Irvington club, and may be sent in the hands of Professor Harrigan not later than 6 o'clock Tuesday night, at which time the drawings and schedule will be made. Entries may be made direct to the secretary by calling him at East 7283.
