State Golf Champion Leads Big Field in Qualifying Round of City Title Tournament

Beavers Get Even Break With Angels

By George Bertz.

AIRTIGHT pitching by "Lefty" Thomas, coupled with a couple of wild heaves, gave Los Angeles an even break in Sunday's double header. The Beavers, with Roy Crumpler southpawing a great game, copped the first game 8 to 1. The count in the second contest was 2 to 1. "Rube" Yarrison losing because his mates fell down in the pinch.

The Beavers put the skids under "Doc" Crandall in the first game, starting off with a couple of tallies in the first inning. Ike Wolfer led off with a single against the right field fence and advanced on a passed ball and moved to third on Sargent's sacrifice. Brazill scored Wolfer with a smashing triple to center field and Brazill scored on Hale's long fly to Spencer. Poole and High followed with hits, but Gresset's drive to left was straight into Carroll's hands.

Lindimore's error, Brazill's walk, Hale's sacrifice and Poole's long fly to Twombly gave the Beavers a run in the third. Gressett's hit over second, Fuhrman's single and Crumpler's beaten out bunt down the third base line filled the bases in the fourth and sent Crandall to the showers. Douglas replaced Crandall.

WOLFER SCORES GRESSETT

Wolfer scored Gressett with an infield hit to second, and Fuhrman scored on Sargent's high fly to Spencer. Brazill sacrificed, but Poole fouled out, ending the inning.

Brazill opened the seventh with a home run drive over the right field fence. Poole's single to left, High's double to right and Gressett's screeching drive to left field gave Portland two more in the seventh.

Los Angeles scored its lone run in the fifth on Beck's walk, Douglas' hit to deep short and walks to Carroll and McCabe. Crumpler showed signs of blowing up, but whiffed Art Griggs in the pinch and fanned the Angel slugger again in the seventh, with two men on.

Sargent and McCabe made some remarkable stops during the first game. Sargent tallying in place of McCann.

YARRISON IN HARD LUCK

Yarrison has a tough time breaking into the win column, although he was credited with a win over the Angels early in the week, though replaced.

In the first three innings, Yarrison retired the Angels in easy order. In the fourth, Spencer singled to center and stole second. Carroll struck out and also got put out of the game. McCabe's single scored Spencer and McCabe moved up to third on his steal and King's wild throw to second. Griggs drew a walk and Twombly beat out a hit to Poole because the infield failed to cover properly, McCabe scoring. Rego forced Twombly at second and Brazill threw wild to first in an effort to complete a double play, putting the runners on second and third. Lindimore ended the inning with a pop fly.

Los Ageles had but one other chance to score, but Yarrison tightened in the pinch.

BUNT COUNTS RUN

Yarrison's squeeze bunt scored Portland's lone run in the third. Gressett made the first hit of the game and advanced to third when Rego threw wild to first. King fanned and Yarrison laid down a perfect squeeze bunt. Wolfer followed with a single and stole, but Sargent was called out on strikes, Byron missing the last strike, and we don't blame Joe for kicking.

The Beavers collected five hits off Thomas, who was tiring under the hot sun. Yarrison was touched up for seven bingles.

The series now stands 3-all, the deciding game to be played this afternoon.

Nicolai and Fulton Club Win Games

Wright & Ditson Tourney Standings

	Won.	Lost.	Pct.
Nicolai Sash & Door Co	3	0	1.000
Fulton Athletic Club	2	1	.667
Ben Fenne's All-Stars	1	2	.333
Arleta Athletic Club	0	3	.000

THE first half of the first annual Wright & Ditson fall baseball tournament was completed Sunday afternoon on the Columbia Park grounds, when another doubleheader was staged. Ben Feetham's Nicolai Sash & Door Company tossers, who won the 1922 City league title, are heading the bushers' tourney with three wins and no defeats, and the first clashes of the second round will be played next Sunday afternoon at Columbia Park.

Sunday's results found the Fulton Athletic club handing Ben Fenne's All-Stars a 11 to 7 lacing in the first game and Nicolai defeated the Arleta Athletic club youngsters 3 to 2 in a pitchers' battle. Between 2000 and 3000 fans were on hand, and they were treated to some sensational baseball before the final out was made.

DIDN'T LIKE HEAT

Old Sol played havoc with the All-Stars, for the "old-timers" didn't take kindly to the heat. A total of 28 athletes appeared in the Fulton and All-Star lineups. Fenne's representatives scored once in the first inning, but lost the lead when Manager Lou Simon's players came through with two markers. In the second, the All-Stars registered three times, but the lead was cut down when Fulton added one in its half, and then tied the count in the fourth at 4-all.

By scoring three times in the fifth it looked as if the Southsiders were going to take a commanding lead, but it was wiped out when the Stars made three on one hit in their half of the sixth. Just to show that they were still in the running the Fultonites forced four runners across the plate in the second half of the sixth, and with the score 11 to 7, the last three innings were without any results.

The second game was another exciting affair, not from the standpoint of the number of runs scored, but by the fast fielding on the part of both Nicolai and Arleta. The City league champs outhit the Independent champions, but Johnny Harkins kept his hits scattered in all but two innings.

NICOLAI SCORES FIRST

Nicoali was the first to score, and two runs were made in the fifth on three hits. Arleta then tied it up in the eighth when Zimmerman, whose all-around playing was a feature of the matinee, connected for a triple, scoring Freddie Harkins. It was then that Manager Ray Brooks injected strategy in the game. With one strike called on N. Johnson, "Chappie" King replaced Johnson, and on the first ball pitched by "Lefty" Jones King laid down a beautiful bunt, squeezing Zimmerman across and beating the hit out himself.

Ground rules were made necessary because of the overflow crowd in center and right field, and it was this part of the program which deprived Arleta from taking the lead, for "Babe" Thomas drove the ball into right field which scored King, and Thomas stopped at third, but the umpires ruled that the hit was good for two bases only on account of the crowd. King was put on third and Thomas on second, with only one out, but the necessary punch was not forthcoming and they remained there.

The winning Nicolai run came in the last half of the eighth, after two were out. Negsted singled, stole second and went on to third when Catcher Fegan threw the ball into centerfield. J. Leptich came through with a double which scored Negsted with the final marker.

Next Sunday's schedule calls for Fulton to meet Nicolai, and the All-Stars to play Arleta, the first game to start at 1:30 o'clock.

Kenworthy to Motor South; Wants Riders

"Duke" Kenworthy, disqualified manager of the Portland Baseball club, is going to make an auto trip as far as Oakland about this week-end. Kenny is looking for company on the trip south and if any ball players want to make the journey it is not believed that Judge Landis will oar them from playing next season.

Kenworthy can be reached at the Imperial hotel. Kenworthy, while ineligible to play with Portland until 1924, has been working out with the club. He will return north in about three weeks and may spend the winter in Portland.

To Hold Football Meeting Tonight

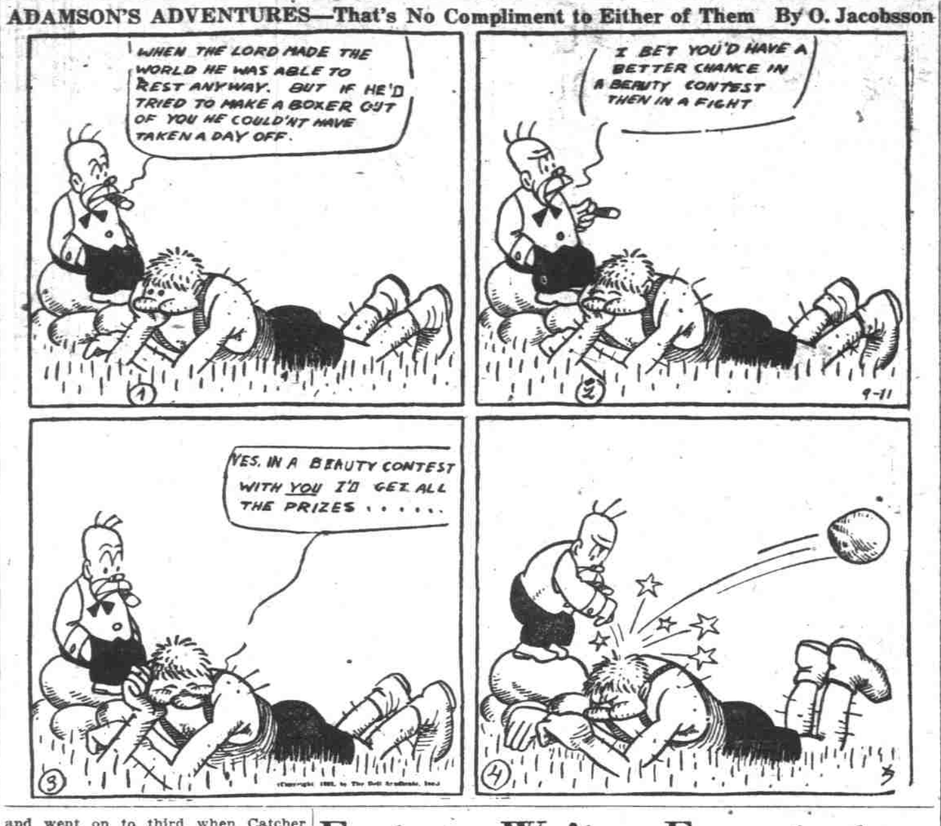
A meeting of the City Football league is scheduled for tonight on the seventh floor of the Oregon building, Fifth and Oak streets, starting at 7:30 o'clock. President Dr. Thomas W. Ross will preside and he wants every manager in Portland to be on hand.

Heinie Busch is going to coach an eleven and he wants to get in touch with all former Franklin high school athletes who are members of the Maroon "F" club. Frank Hallier is managing the Maroon "F" representatives and he can be reached by calling Atwater 4600.

Seattle Acquires Western Twirler

Seattle, Sept. 11.—(U. P.)—President James R. Boldt of the Seattle baseball club announced the purchase of Pitcher John Tesar from the Sioux City club of the Western league, bought on the recommendation of Scout George Engle. Tesar has won 19 and lost 17 games this year. He was formerly with the White Sox. He is a right-hander.

ADAMSON'S ADVENTURES—That's No Compliment to Either of Them By O. Jacobsson



Eastern Writer Expects to See New York Tossers Fail

By Joseph S. Rogers
Universal Service Staff Correspondent

NEW YORK, Sept. 11.—The pennant races are over. It is now only necessary to play the rest of the games. The St. Louis Browns, their pitching staff in the best form it has been since the beginning of the season, figure to nose out the Yanks by two games. The Pittsburg Pirates are doped to win, more on account of the New York Giants' weakness than their own ability. It is a question of which team slumps the most, and from all indications the Giants seem to have the edge.

BROWNS EXCEL

Careful analysis of the strength of the Browns and Yankees shows that the better pitching staff of the latter fails to equalize the tremendous advantage of the former in playing their remaining games on the home lot. Latest official averages also show the Browns excel the Yanks in hits and scoring runs.

The lead now enjoyed by the Giants does not, by the dope, appear to be large enough to offset their woefully weak pitching staff, which would not do credit to a second division club. The Giants seem less apt to win the pennant than the Yankees, because outside of Pittsburg, Chicago and Cincinnati must be considered as having an outside chance to win. The Browns are the only rivals of the Yanks.

Man for man, outside the pitching staff, the Browns appear to have considerable advantage over the Yankees. Schang has a slight edge on Severold, although Hank's timely clouts have done much to keep the Browns in their present position. Pipp cannot be compared to Sisler, while the flashy all-round playing of McManus shows him to a better advantage over Ward by a slight margin.

GIANTS' STAFF CRACKED

Dugan has an advantage over Foster and, although Scott is one of the greatest fielders the game ever knew, his erratic stickwork places him only a notch ahead of the reliable Gerber. It is in the outfield that the Browns show to their best advantage. Williams must be said to be of far more value to his team than Ruth. Meusel has not been reliable in the pinches for the past six weeks, and for that reason the deer footed Tobin seems to have the call. Witt and Jacobson seem to be on about a par, with the former getting on the bases oftener and with the latter being one of the best in the game when hits count most. Much has been said of the Yank pitching staff, but it cannot be denied that it has failed to come up to expectations. If Shocker can trim the Yanks one game, when the teams meet in St. Louis in a three-game series the middle of the month, they should have a three-game lead, which figures to be almost impossible for the Yankees to overcome.

In comparing the Giants and the Pirates, the big outstanding feature, as stated previously, is the McGraw men's weakness on the hill. Nehf has shown signs of cracking under the terrific strain and, while McQuillan and Scott have showed evidence of brilliancy, they have not been consistent. The rest of the hurling corps can be diagnosed by one word—mediocre.

The Pirates, on the other hand, have an ace of the first water in Cooper. He is well flanked by Hamilton, Glazner and Yellowhorse, who has shown to big advantage lately as a good four-string man.

EASTERN FISTIC GOSSIP

By Fairplay
(Copyright, 1922, by The Journal)

NEW YORK, Sept. 11.—Benny Leonard appeared up town today after several weeks spent in building himself up following a long and painful bout with dental surgery.

Benny looks fitter than for a long time and evidently has not a great deal of weight to remove in getting down to the limit of his class—I say about five pounds. He will begin light work this week in preparation for the bout with Charley White, which is to be held on October 6 in Jersey City. The Chicagoan has been clamoring for this match for a long time and when Ike Dorgan called him up on the telephone from Madison Square Garden and told him everything was set Charley's hoorays sounded like the Chicago wheat pit when some clever guy has almost succeeded in cornering the market.

Frank Moran found time to interrupt his social engagements sufficiently long last week to blow himself to the luxury of a short note to your truly. He says he is feeling great and that he is seriously working to get himself into condition for his coming fight with Joe Beckett. "As you know," writes Frank, "the winner of that shindy is going to get a crack at Carpentier. I'm not much of a star reader but everything I see in the skies points to a battle of the century between me and Carpentier before Christmas. It's a great life over here. Now, you will have to excuse me as Lord Dewduffle and the Earl of Erstwhile are just getting out of their motor for a dash of tea and a muffin or two. Are you there? Righto!"

Advices from Paris say that Eugene Criqui will be among us in the late fall prepared to clean up all the feathers who confront him and incidentally pile up enough money to pay off the mortgage on the old family chateau.

Idaho Optimistic On Grid Prospects For Coming Season

University of Idaho, Moscow, Sept. 11.—With the football training season about to be ushered in, Vandal coaches are looking over their leftover and new material. The loss of several exceptional players will be felt greatly, but a wealth of good material will come from last year's freshman eleven.

Although Idaho is facing the hardest schedule in years, the outlook is not so discouraging as it might be.

Captain Babe Brown, Huck and Beany Breshears are the veteran backfield men, while Abe Goff, center; Sherm Breshears, end; Pete Barto and Dale Vohs, tackles, and Jim Neal, guard, will be Mathew's dependables in the line. The list of candidates from the freshman team and also some upperclassmen ineligible to play last year is sufficiently strong to bolster up any weak place either in the line or backfield. Both departments will be supplied with all kinds of material this year.

Morris Kline, captain of the freshman team last year, will probably give Goff a hard fight for center. Otz Neuman, Noah Hayes, Charley Hausen, Syb Kleffner and Bob Fitzke are promising players among the men who are entering their first year of varsity ball.
