world is being sought by the members of the Church League for Industrial Democracy, an Episcopal organization which has opened offices at 105 Labor Temple, Fourth and Jefferson streets. The league began a series of forums Monday in hall "I" of the Labor Tem-The forums will meet at 1:30 o'clock each day this week, except Saturday. A large mass meeting is also being planned for Friday night in the Labor Temple auditorium at which the Rt. Rev. Charles D. Williams, bishop of Michigan, will be one of four principal speakers.

The purpose of the league as stated by the Rt. Rev. Benjamin Brewster of Maine, who spoke Monday afternoon, 'Is to unite, for intercession and labor, those within the Episcopal church who believe that it is an essential part of the church's function to make justice and love the controlling motives all social change, and who wish, as Christians, to promote all sound movements looking toward the democratization of industry and the socialization

Bishop Brewster declared that the true function of the church in social work is to uphold the fundamental principles of social living, quetice. service and fellowship, and to provide a guarantee of freedom of speech for e discussion of various views as to methods of social and economic improvement. The function of the league, all methods of social betterment. Wednesday, at 1:30 o'clock, in the

Roots, bishop of Hankow, China, Will talk: Thursday the addresses will be made by two men, the Rt. Rev. Henry St. George Tucker of Kyoto, Japan, and Dr. P. A. Parsons of the University of Oregon social service depart-

No admission or registration fee is charged for the forum. The general public, including those outside the church, is invited.

Ford Sends Rigid Order to Employes Forbidding Drink

(By United News)
Detroit, Mich., Sept. 12.—In an order affecting 70,000 employes of the Ford Motor company, Henry Ford Monday of liquor in their homes, or the odor of liquor on their breath, or the bulge of its container on their hips, in the would mean immediate dis-

Recent accidents in the Ford plant, blamed to employes more or less under the influence of liquor, were stated to have been responsible for the drastic

Ford himself is known to be a strong supporter of the prohibition theory. Even beer, the new order proclaims, is forbidden and the workmen smelling of home brew will be fired just as promptly as those who have imbibed anything harder. Employment managers have been given the task of enforcing the rule. The order from Ford transmitted by them reads:

"From now on it will cost a man his job without consideration of any ex-cuse or appeal to have the odors of beer, wine or liquor on his breath, or to have any of these intoxicants on his

Japan Compromises With Soviet as to Far East Meeting

Tokio, Sept. 12 .- (U. P.)-Japan has decided to compromise with the soviet government of Russia on the questions which threatened disruption of the Chang Chung conference on Far Eastern questions, it was learned on re-This action was interpreted as the

first step towards de facto recognition of the Moscow government.

Japan, high authorities said, had decided to instruct its delegates at the Chang Chun conference to recognize the Moscow representatives as representing both the soviet government of Russia and the Chita government of the Far Eastern republic. This would mean that Japan considers Moscow competent to speak for practically all of the old Russian em-

pire, Including Siberia. It constituted Rescue Crews in 2 The soviet representatives, on the other hand, will be asked to withdraw their demand that questions beyond Far Eastern matters be discussed at

If this request is granted it will amount to opening of the conference by a complete compromise in which the two parties made equal concessions. These developments were looked upon as justifying the increasing belief here that the conference will re-

sult in the de facto recognition of Mos-

Commissioner Pier Announces He's Not Out for Reelection

S. C. Pier, commissioner of finance, has announced that he will not be a candidate for reelection as city comnissioner this fall. He states that his private affairs have been neglected because of the time required for the transaction of municipal affairs and that he feels he can no longer continue this condition.

"My work as a city commissioner has been deeply interesting and very pleasant," said Pier, "and I have greatly enjoyed the associations formed n this connection. I had seriously considered standing for reelection, but during the last month I have decided that my personal affairs require more attention than I can give them should continue in municipal office. Commissioner Bigelow has not ye definitely decided whether he will be a candidate for reelection, but it is

Mines Slowly Gain In Race With Death

Jackson, Cal., Sept. 12.—(I. N. S.)— Making 10 feet during the night, the rescue crew going through the muck filled drift in the 3600 foot level of the Kennedy mine completed 32 feet for the 24 hours ending at 7 a. m. today, of open space leading to the entombed men in the Argonant, leaving 79 feet to go before the 80 feet of rock separating the two mines is reached. Soft muck, while offering little resistance, requires quick timbering to prevent its

caving in on the rescuers. Four rounds of blasts have been fired n the 3900-foot level of the Kennedy, two being shot during the night, making a total footage of 16 feet gained at o'clock this morning since 7 a, m. yesterday, leaving 125 feet of solid rock to be penetrated before making the Argonaut's lower region.

Labor Meeting to Consider Ticket

Roseburg, Sept. 12 .- A mass meet ng for all organized labor will be held here this evening, at which the feasi-bility of a labor ticket at the coming general election will be discussed.

Fire last week destroyed 15 acres of wood in the form of trees, with all the fencing, as the result of an uncontrolable slashing blaze on the Grant Pirtle farm east of Brownsville.
