the city for a week before going on to Eastern Oregon where he formerly resided and was in visit with old friends and relatives. Pierce has been

for some years a resident of Los Angeles where he has been particu-

the Belle White orphans' home at Los Angeles, which institution was forced to close its doors and turn some 75 orphans out upon the world because of lack of funds. He has secured large sums to be set aside in this manner in Los Angeles. He was also instrumental in gathering 121 tons of food to be sent to the Near East relief from Los An-

This has been reduced by the present builder. C. Guy Wakefield; \$3050. ongress over \$1,000,000,000 in the past

18 months, and the operating expense of the government was reduced \$1,000. 000,000 in the past fiscal year. This was accomplished by the present budget system, and demonstrates that this congress was the most economic in many years," said McArthur. Mr. McArthur criticised the present

naval policy, saying that our navy is too far reduced for safety. He also commented on the good roads law, saying that Oregon had matched dollar for dollar with the government. Congress is now planning to reor ganize the executive branch of the goverament by combining many executive heads of departments.
